Footprints in the sands of time . . . .

—Longfellow

Dedication

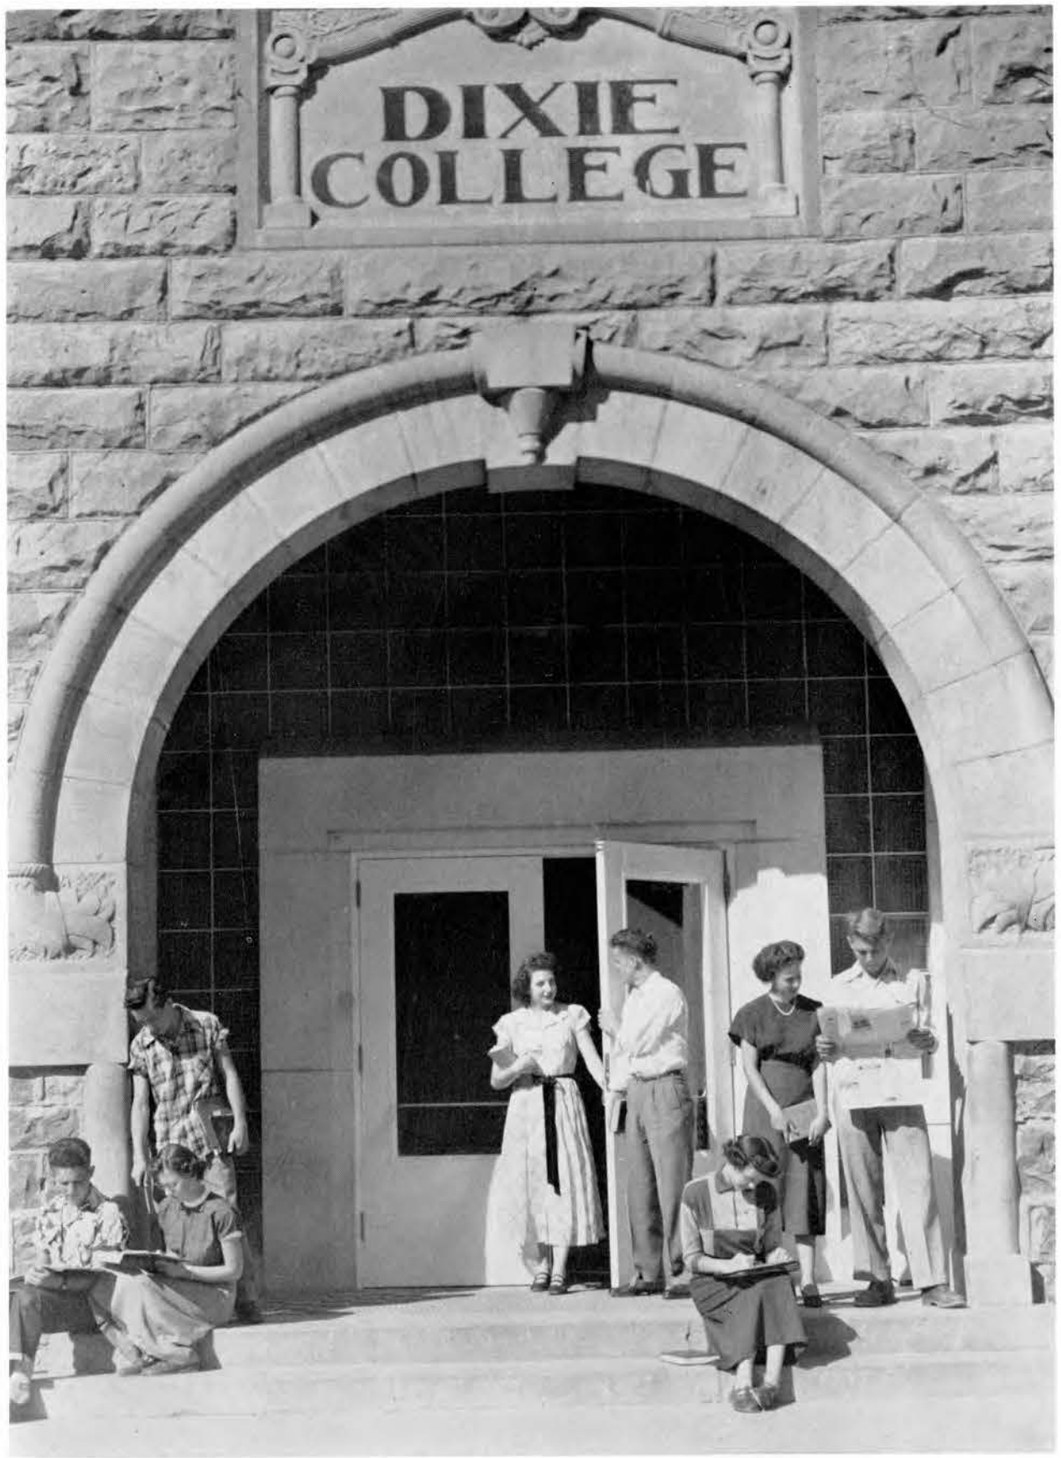

FOOTSTEPS slowly treading
Leaving hollows on the shore,
Soon to be erased by water
Leaving smooth sand as before.

Brave men, ever striving
Leaving footprints as they climb:
Footprints there, to stay forever
Etchings in the sands of time.

Etchings there that are eternal
Giving hope to those to come—
Not like prints upon the seashore
Washed away ere they're begun.

In the sand we read the message
Written there since first was time.
Deeds we do live on forever
As footprints on the sands of time.
