BAC Gets Revenge; Hands Dixie 19-7 Trimming on Friday

It was just one of those things Friday afternoon when BAC gained their victory over the "Fliers." It was a very good game leaving the first quarter out. BAC made their first touchdown on a short pass over center. Higbee, quarterback made a nice kick for the extra point. BAC, not many minutes after their first touchdown, scored again on a blocked kick. Stratton went to kick, but an "Aggie" man came in there and blocked it, and another man picked the ball up and ran for a touchdown. They kicked wide on their try for extra point. This making the score BAC 13 and Dixie 0. Dixie tried passes (Continued on page four)

QUARTET FEATURE OF F. F. A. PROGRAM

The assembly program at the Dixie College will be given by the Dixie chapter F. F. A. on November 20. Harold Hafen, president of the chapter, has charge of the program. The same program will be presented at the Dixie junior high school Wednesday, November 18. It will feature the F. F. A. male quartet, and will have a group of numbers to support them.

On Friday, November 20, the annual Harvest Ball will be presented by the F. F. A.'s. The most popular girl of the Dixie (Continued on page four)

ENTHUSIASM SHOWN BY GIRLS FOR GYM CLASSES AND GAMES

Who says we haven't a successful college gym this year? There are only eighteen girls registered for this class and when one is absent sporty Miss McArthur slips in and with a big "Wa-hoo" the game is on. Well, well, well who ever heard of dodge and kick ball? Miss McArthur did and now the class is so interested in the (Continued on page four)

AMERICAN GLEE CLUB PRESENTED AS FIRST NUMBER OF LYCEUM

The American Glee club entertained a record of Dixie college students and town's people on Friday, November 6.

The Lyceum committee is to be commended for their success in engaging this popular group who has entertained in every state in the Union and in Canada. I am sure everyone who attended this program was highly entertained both educationally (Continued on page four)

Education Week To Focus Attention of Nation on Education

By PRES. B. GLEN SMITH

November 9 to 15 of this year will be celebrated throughout the country as American Education week. During this period the attention of the entire citizenry will be focused on the schools.

What is education really for? What function has the school? What is the direct purpose of the Dixie junior college?

Can one imagine what it would be like to be denied the privilege of an education? That would simply mean that there would be no progress—that the past would be relived. It would mean the complete destruction of the human race. And what of schools? There once was a time when an education could be obtained through the school of experience. Even in those days it was an expensive and inefficient experiment. Such an education could hardly be conceived of today.

The school is justified because mass instruction, social situations, expert guidance, efficient leadership, and economical accomplishment. The school attempts to give in a comparatively brief period the realization of the major aims of education, which have been stated by the Committee on Reorganization of Secondary Education as follows: Good health, voca- (Continued on page four)

SPANISH CLUB OF D. J. C. HONORED BY RADIO STATION KOB

If, at 8:30, your radio was dialed last Wednesday evening, October 4, or the Wednesday preceding, to station KOB in Albuquerque, New Mexico, you should have had your attention aroused by the recognition given the Spanish club of D. J. C. We have been recognized as an exemplary group by Dr. F. M. Kercheville (instructor of the Spanish class of the air—largest class of its kind in the world). We feel highly elated and rejoice in the fact that we were able to advertise Dixie junior college to people all over (Continued on page four)

RINGS ORDERED BY SOPHOMORE CLASS

The sophomores ordered their class rings. There were about forty rings purchased by the class. It is believed however, that some of the boys, Bonnie Nelson, Rod Neilson, Justin Tolton, Shirl Pitchforth, Lloyd Bleak, and others will not keep them very long.

Earl J. Bleak seems to think Lloyd is quite an expense. He says he wishes Merve would raise Margaret's salary. It doesn't go far towards Lloyd's spending spree.

Bonnie claims the reason he (Continued on page two)

BASKETBALL CLASS SERIES GAMES TO BE STARTED SOON

Coach Lee Hafen states that basketball will start some time this week, when the class series in basketball will swing underway. It has been a number of years since a class series in basketball has been held. But this year Coach Hafen decided to revive it. In years past there was just one team selected from each class, but this year each (Continued on page four)

To be Three-Day Event; All Departments of School to Co-operate. Starts No- vember 15, Ends Dec. 4.

The largest and most complete pictorial art exhibit ever displayed in Dixie, will open in the Dixie junior college auditorium on November 15 and will close on December 4. This exhibit is under the direction of Ralph Huntsman, art teacher; and the sponsors are the Beaux Art Guild (art club).

The exhibit will consist of the Pioneers Trail exhibit from the Brigham Young university, Federal Arts project exhibit, two pictures by Winold Reiss of New York, Pictures by Miss McCormack of Phoenix, Arizona; Mr. Biggs of Winslow, Arizona; Gordon Cope of Salt Lake City, Utah; Marie Clark Miller of California; Mr. Lewis E. Rowe of Las Vegas, Nevada; Mr. and Mrs. Alton Peterson of Bunkerville, Nevada; Mr. A. E. Johnson of Overton, Nevada; Mr. J. T. Harwood of Los Angeles, California; and Mr. Reynolds of Logan, Utah.

Either Mr. Reynolds of the Utah State Agricultural college or Mr. Calvin Fletcher of the same place will be at the Dixie junior college to speak in the special assembly which is to be held on December 4 at 10 a. m. under the auspices of the Beaux Art Guild. Both are wanted and will be secured if possible.

Dr. D. Elden Beck, chairman of the executive committee of the Fine Arts exhibit and Festival, wishes to extend an invitation to all clubs or organizations who wish to visit the Art exhibit while it is up. He states that a guide and informant will be furnished to any group which wishes to come.

Watch this paper for further information concerning the Fine Arts Festival or the Art exhibit.

The Fine Arts Festival, to be held on December 2, 3, and 4, is a non-competitive celebration (Continued on page three)

INITIATION HELD NOVEMBER 4, FOR DELTA PHI ALPHA

Final initiation ceremonies for new members of the Delta Phi Alpha (honorary music fraternity) were held Wednesday night November 4 in the Dixie college Science building, under the direction of Stanley Schmutz, president.

New members are: LaVoy Esplin, Orderville; Milton Hyatt, Parowan; Keith Barber, Hurricane; Fay Reber, Hurricane; Helena Thomas, Enterprise; Russell Smith, Spanish Fork; Hal Bradshaw, Hurricane; Carlos Schmutz, Fern Starr, and Evelyn Cannon, St. George; Joseph William Williams of Kentucky was initiated as an honorary member.

This ceremony was a conclusion of the Court held on Tuesday, October 27. At this court it was learned that Carlos Schmutz would be a great Indian war dancer if they had a need for one now, that Fay Reber was born with a smile on his face, and that Evelyn Cannon and Carlos Schmutz apparently like each other so well that they would break bounds to be together.

Following the ceremonies, a banquet, under the supervision of Miss Clara Woodhouse, was served to all members. The banquet consisted of roasted-cured ham, combination fruit-vegetable salad, sweet potatoes, sweet cider, olives, jello, and hot chocolate.

The conclusion of this initiation brings the membership of the club up to 27 regular members and 4 honorary members. The full quota is 30 regular members and an unspecified number of honorary members. Another initiation will take place in January or soon after to bring the club up to full membership.

NEED FOR ARCHERY CLUB AT D.C. SHOWN

Students! Students! Why must Dixie be one jump behind other schools. Practically all other schools have archery clubs in connection with their gym classes. Let's get behind this movement and promote more school spirit by organizing an archery club. Already there is much enthusiasm in the school concerning the starting of such a club. Come on, both boys and girls and let's have our archery clubs. All students interested in joining this club meet in room 27-E, Monday night at 7:30. —CARLOS LANG.

PEP RALLY

Dixie, Dixie, Rah, rah, rah! Who said Dixie lacked spirit? What did they mean? You who have been kicking, were you to the Rally? Well we all had real, rousing, good time.

As Rome burned, so did B. A. C. The president, the coach, and the boys all expressed themselves. Everyone had a "swell time."

Next time we have a pep rally let's all be there. There's only one way to get spirit and pep into our school and that requires everyone! Let's all get behind Milly and Bish and "Y-E-L-L!"

FAST BALL GAME SLATED BETWEEN HI—COLLEGE GIRLS

Remember the first year baseball players of last year and how they took the fourth year girls for a cleaning in a wild and woolly game? These same girls who are now over at the junior high, have challenged the college girls to a game of indoor baseball this coming Tuesday, at 4:30. The challenge was eagerly accepted. There is a very strong feeling between these two groups of girls. They have each won a game from the other in basketball and the upper group have lost a baseball game to the lower. This game is five innings and promises to be great success to someone because it is rumored that the losing team buys the MILK SHAKES. Right Elmer?

BEAUX ART GUILD MEETS OCTOBER 26

The Beaux Art Guild met Monday, Oct. 26, at home of Jean Cottam. Mrs. D. Elden Beck gave a lecture on the life of Leonardo DeVince, perhaps the greatest artist the world has ever known.

Business problems were presented and discussed. The Fine Arts Festival plans are under way and the interest of the members is high. The whole school seems to feel the enthusiasm of the Beaux Art Guild and to recognize the very wonderful opportunity that is "being handed to them on a silver platter." The Festival promises to be the biggest cultural undertaking in the history of Southern Utah.

The Beaux Art Guild invites the student body of the Dixie junior college to partake of the enthusiasm they feel and really get all there is to get out of this opportunity.

SPORT HIGHLIGHTS AS INTERPRETED BY SPORTS EDITOR

The Dixie band put on a wonderful performance out at the game Friday. They paraded out on the field at the half in their dazzling uniforms and put on an exhibition of marching that made us feel proud that we belong to Dixie.

The "Pep" girls in their new dresses put on a nice show.

Weber won the Utah junior college championship in football by downing Westminster 13 to 0. Weber had a very good team and deserved to win.

Coach Shields has a harder time getting football players up in their studies than he does getting them in shape for a game.

Garn Heaton and one of the BAC players were about to entertain the fans with a bit of boxing without the gloves at the game Friday.

It's too bad that "Aub" couldn't play Friday. He was a great asset to the team. But I guess it couldn't be helped, he had to abide by the ruling.

The football lads will now start training for the Westminster game. We hope! This should be a great game. The athletic department hopes there is as large a crowd out as there was to the BAC game. Football will pay with crowds like that.

CHASER STAFF ASKS HELP OF STUDENTS

Students: The "Dixie Chaser" is your paper. Its purpose is the expression of students. Aren't you a student? Well then, we want to hear from you. Don't be afraid to hand in your contributions . . . if they're no good we won't print them . . . and you'll have no disgrace. If they are good and they will be we'll be glad to put them in. If you're modest and do not like publicity and praise, if you'll so request we'll even publish your piece without your name.

Let's fill the "Chaser" with student expression. Articles, activity reports, essays, poems, and then all those little bits of humor—we want them all—and we want want them from you!

The Male Chorus, under the direction of Professor McAllister, is going to give "The Vision of Sir Launfal," during the Fine Arts Festival instead of "Cleopatra." "Cleopatra" will be presented later.

Fine Arts Festival Nov. 15-Dec. 4

(Continued from first page)

for the purpose of correlating the work of the three school clubs; Delta Phi Alpha (honorary music fraternity), Lambda Beta Theta (honorary literary sorority), and Beaux Art Guild, (art club), and to foster more interest among students in the various activities which these, the finer arts, enable one to enjoy. We hear, see, and read of many things which we cannot enjoy because we do not know enough about the subject to apply it to our own lives; therefore, it is the aim of this festival to enable students to apply the principles of these finer arts within their own sphere. This is the outgrowth of the Beaux Art Guild exhibit and Ball of last year.

Each of the above clubs is to have a special day in which to stress the work of its organization. The dates and activities are as follows: December 2—Delta Phi Alpha, sponsors, all classes will stress music in relation to regular class work. At 10:00 a. m. a special assembly will be held in which outside schools and our own school will present the various numbers. That evening the Brigham Young university symphony orchestra of 80 pieces, under the direction of Professor Robinson, will present a concert in the Tabernacle. This is a favorite orchestra of the state of Utah. December 3, Lambda Beta Theta, sponsors, all classes will stress Literature in relation to regular class work. At 10:00 a. m. a special assembly will be held, the major attraction of which will be a man from either the Agricultural college at Logan or one from the University of Utah at Salt Lake City, who will be the main speaker. That evening, a drama "The Garden of the Moon", under the direction of Mrs. Beth Schmutz, will be presented in the Dixie junior college auditorium. December 4.—Beaux Art Guild, sponsors, all classes will stress art, at the special assembly at 10:00 a. m., a special speaker from the Agricultural College in Logan, will talk on Art. In the evening, the Fine Arts Ball, in which all three clubs join will conclude the Festival. This Ball will take place in the new Amusement Hall which will be decorated.

Admissions prices for evening programs are as follows:

December 2, Symphony Concert

Admission 35c
(Child, under 15-yrs not invited)

December 3, Drama:
"The Garden of the Moon"

Dixie College Auditorium, Admission 25c and 35c

Fine Arts Ball December 4
Admission \$1.00

Extra Ladies 25c

Season tickets for the evening programs will be available for \$1.25. They will be on sale at the local stores soon.

We wish to extend an invitation to all parents to come to school on the three days and enter into any class which they may please to enter. We admonish you students to carry word home to your parents of this Festival and though you may live out of town, let them know of it.

The executive committee of the Fine Arts Festival is as follows: Dr. D. Elden Beck, chairman; Earl J. Bleak, music; Linna Snow, literature; Ralph Huntsman, art; Clara Woodhouse, program; J. W. McAllister, accommodations; and DeVere R. McAllister, advertising manager.

GOOD TIMES AHEAD FOR STUDENT BODY

The student body has been planning good times for us this winter. Every other Wednesday throughout the winter the students are having a strictly student body party to keep us together and to develop a better feeling of fellowship. These parties will not be just social dances, but games, folk dances, etc., will be participated in so that the students may really become acquainted.

This month has its Wednesday evenings already filled, so the committee has reported that instead of having the parties on Wednesdays, the November parties will be on Mondays, November 9th and 23rd. After that, however, they will be on every other Wednesday.

All these parties will be in the new Recreation hall (the gym will not again be used for dances) so there may be a small charge if there are any expenses. However, nothing is definite yet—except that we are going to have parties—and they're going to oodles of fun! Be seen! ya!

LAMBDA BETA THETA AND ENGLISH DEPT'S TO SPONSOR "LIT" DAY

The Lambda Beta Theta sorority, combined with the English department of the Dixie College, is sponsoring the Day of Literature, December 2, during the Fine Arts Festival. An assembly program will be given at 10:00 a. m. in which a representative of the University of Utah will be invited to address us on "The Influence of Literature on Our Lives." All patrons are invited to attend the various classes throughout the day and take part in all class discussions.

The school play, "The Garden of the Moon", directed by Mrs. Beth Schmutz, dramatic instructor of the college, also a part of the Day of Literature program, will be featured on the night of December 2. This is rated as one of the outstanding plays produced by the dramatic department of the college. The Art Festival promises us three days of the most highly cultural entertainment ever placed within the opportunity of college patrons. Watch this column for further items regarding THE DAY OF LITERATURE OF THE FINE ARTS FESTIVAL.

Junior Class In Dumps; Must Show Better Spirit

We're not doing anything so we can't write anything.

Juniors, tut, tut, tut. Where's your life? Get back that spirit that once prevailed in your class and let's hear from you.

DITTO SENIORS

It seems that the lower division—but then, we'll give you upper classes one more chance before we say anything.

The Hurricane boys want more publicity! They want us to ask if they can't get female volunteers. What do they mean? Anyway, what do they want for a nickel?

BAC-DIXIE GAME

(Continued from first page)

and runs but made no gains. One of their passes was intercepted by a BAC man and it looked as if BAC was going to score again, but Dixie held. BAC's third touchdown was the result of a fumble. BAC kicked to Dixie. One of Dixie's backs took the ball and started to run but was tackled hard and fumbled on Dixie's 15-yard line. The referee ruled that BAC recovered and from this point BAC made another touchdown on an end run. Their try for point was no good.

Dixie came back the second half and out-played BAC, but could not score. The two teams battled on even terms until in the latter part of the game when Dixie started a drive for their only touchdown of the game. Wade made some nice gains off tackle for a first down. Dixie then proceeded to the one-yard line. Wade then took the ball and went over for the score. Turner then crashed off center for the extra point, making the score BAC 19 and Dixie 7. Dixie again made a threatening drive but were unable to penetrate BAC's goal. The game ended with BAC the victor.

Wade did some nice running in the second half. It would do both Dixie and BAC teams injustice to name the outstanding men on the respective teams, because the men on both teams came through with some fine playing. The Dixie team sure missed their Captain, "Aub" Morris and the score would have been different if he had been in the game.

and inspirationally. The Swiss hand bells, male quartet, vocal solos, instrumental numbers, comedy vocal duets, and comedy readings were wholeheartedly received. Plenty of spice and variety for the most critical audience.

I am sure everyone present has many hearty thanks for the Lyceum committee, for an evening of true enjoyment and delightful entertainment. Also it produced a determination to get behind the committee with their support to make all our Lyceum numbers a success.

Freshman Party Shows Plenty of Vin and Vitality; Everything Aboveboard

Because the Freshies didn't break into the market and have a rice throwing party, the shoe shop and throw shoes, or the 5 & 10 cent store and play with the jack-o-lanterns wasn't because they didn't want to. It was because Uncle Sam knew they were having a party on Wednesday and had both eyes on them.

It was one of those progressive things where you have some in the the Tabernacle and rest in the Standard Cafe. Here is the low-down.

We felt quite proud of ourselves. President Smith and Clara Woodhouse had the time of their lives.

Hershall Hafen and Alma Tanner were seen in the car before the party, throwing a little party of their own. Cranial? No! Abdominal? No, again. Thoracic? A thousand times, No! Servical? Definitely, Yes!

We noticed Earl Hafen wore a white dog on his coat lapel and assumed that it was to remind Mildred Bentley not to give him scraps and above all NO PETTING!

How will Wanda B. look in wooden shoes? Well you better decide because that little Dutchman is giving her the rush act again.

Just because the class didn't hire Bleak's orchestra, Margaret M. goes to the party with Afton Ence, does the tangle with President Smith, eats more than her share of lunch, and asks for all the prize kisses.

Oh Virginia! Don't you know that you cannot dance like President Smith? Oh well maybe you won't fall down every time.

Was it drink or intiation that drove Garth Cottam to the shoe shine business at class party?

At the regular meeting of the Dixie chapter Wednesday afternoon, it was decided that the member exhibiting the most outstanding qualities in leadership and participation in chapter activities will be selected to attend the American Royal Livestock show to be held in Kansas City, Missouri in October 1937. Several boys will be selected from the chapter to play in the F. F. A. state band which will be featured at the annual convention held in Kansas City at the time of the Livestock show.

The Utah association has been asked to send this band back to celebrate the tenth anniversary of the establishment of the F. F. A. organization. The boys to go will be selected from among the following: Ross Syphus, Marion McMullin, Clayton Sullivan, Everard Cox and Grant McMullin.

class will be represented by three teams. There will be an A team, a B team, and a C team. This will give more boys a chance to take part. The athletic managers from each class will pick various teams. There are plenty of basketball men at Dixie this year from the outside schools. There are players from Hurricane, Panguitch, Delta, Canada, Virgin Valley high, Valley high, and Hinckley. The series should be very interesting and will give the Coach a chance to look the boys over. If you want to pick a winner bet on the Juniors to win the series.

Our trip to California has been suggested to take place during the Thanksgiving vacation. We aim to make it a thing to be thankful for regardless of when it occurs. We endeavored to make the expense of the trip smaller by installing a booth for the Hallowe'en wrestle, and—maybe to our discredit—promoting additional noise by the sale of loud "artillery" for the battle of the "ghosts".

A Spanish proverb will be given in each paper. EDUCATION WEEK

tional training, worthy home membership, preparation for citizenship, training for ethical character, worthy use of leisure time, and command of the fundamental processes.

And what of our Dixie College? We have opportunities here that may not be found elsewhere. To the students of this immediate vicinity it provides two years of college education that in many cases could not be obtained. It provides unlimited opportunities for constructive leadership. And it provides a guidance setup that is in keeping with the most up-to-date educational thought. Furthermore it provides the usual curricular and extra-curricular activities.

Let us reflect for a moment on what education means to us, and what debt we owe our alma mater, the Dixie junior college.
