

Gull Field Camp
+ Assays Recd.
from Sloughy Creek

H. J. DOOLITTLE
Lund and St. George, Utah

May 27, 1911

DEAR SIR:

All factories making the "American" and "Colorado" style of square mesh fencing are now using No. 11 wire instead of No. 12 for stays. This increases the weight of the fencing about 1 lb per rod and makes a much stronger fence.

As I am selling this fencing for about 4 1-2 cents per pound, kindly take this extra into consideration when you compare the following prices with the prices you have been paying. This has just been made and so far none of the fence with the No. 11 stay wires has come into this territory.

I am now getting up orders for a car of fencing to reach Lund about July 1st, and on it reaching me at either St. George or Lund by June 10th I will make the following prices for delivery at Lund.

12 bars 58 inches high, 58c per rod	9 bars 49 inches high, 46c per rod
11 " 49 " " 52c "	8 " 45 " " 41c "
10 " 41 " " 47c "	6 " 35 " " 33c "
9 " 34 " " 42c "	5 " 26 " " 27c "
8 " 28 " " 37c "	9 " 39 " " 43c "
11 " 55 " " 53c "	8 " 32 " " 38c "
10 " 47 " " 48c "	7 " 26 " " 33c "

The above fencing is all made with No. 9 top and bottom wires and No. 11 intermediate and stay wires. Stays 12 inches apart.

15 bars, 58 inches high, 51c per rod with 12 inch stays; 65c per rod with 6 inch stays
14 " 52 " " 47c " " " " 60c " " " "
13 " 46 " " 44c " " " " 55c " " " "
12 " 40 " " 41c " " " " 50c " " " "
11 " 34 " " 37c " " " " 46c " " " "

This series has No. 10 top and bottom wires, No. 12 intermediate, and No. 13 stay wires

21 bars, 58 inches high, 63c per rod.	18 bars, 43 inches high, 53c per rod.
20 " 53 " " 59c "	16 " 35 " " 47c "
19 " 48 " " 56c "	13 " 24 " " 38c "

This series all 6 inches between stays, No. 11 top and bottom wires, No. 13 intermediates.

RR WIRE.	In 80-rod Spool:	In 100-rod Spool:
Glidden painted \$4.00 per cwt.	\$3.20 for catt	\$3.40 for hog barb
" galvanized \$4.30 "	\$3.45 "	\$3.65 "
Baker painted \$4.05 "	\$3.15 "	\$3.30 "
" galvanized \$4.35 "	\$3.40 "	\$3.55 "

No. 15 single loop bale ties, \$1.65 per bundle for 9 1-2 foot, \$1.75 for 10 foot.

Polished Fence Staples, \$4.00 per keg. Wire Nails, \$4.00, base, per keg.

Spiral Coil Spring Wire, No. 9 \$4.35, No. 10 \$4.40, No. 11 \$4.45, and No. 12 \$4.50 per 100 lbs.

These prices are based on direct car lot shipment from the Mill. This gives me lowest cost and I am giving you the benefit. Send me in your orders, either to Lund or St. George.

Yours very truly.

H. J. DOOLITTLE.

P. S.—If you want prices on any style of fencing not quoted above, let me know and I will be glad to quote you. H. J. D.

Mr. A. F. Gregerson,

St George, Utah,

Dear Sir:-

The organization of our Gold Mining Co. is about completed, and in a most satisfactory way, and we are in hopes we can make the stock of the Company of value.

I will very soon issue to each owner his shares of stock, and will try and get a part of our treasury stock on the market, as soon as possible. Mr. McQuarrie tells us you are owner of one third of the out-standing stock - viz 200,000 shares.

Now, Mr. Gregerson, Mr. McQuarrie and myself have spent more time and money, than you perhaps realize in placing the property with the best people and in the best place, and from Mr. McQuarrie's recommendation we tried to help you; he also says he would not mention to you or claim any pay or remuneration for the promoting of this Company, by himself and the writer, as you were a fair minded man and would perhaps appreciate the situation yourself.

Mr. Hodson and myself in speaking of the matter concluded to put the matter before you, before the division of stock took place and then to let you decide as to what would be fair. If you conclude that Mr. McQuarrie and myself are not entitled to anything for the work, the division of stock will be about as follows:

A. F. Gregerson	-----200,000 shares,
John T. Hodson	-----100,000 "
J. A. Kirby	-----100,000 "
R. G. McQuarrie	----- 75,000 "
Willard Scowcroft	----- 75,000 "
Bert McQuarrie	----- 37,500 "
H. A. McQuarrie	----- 12,500 "

However, if you would agree to accept 150,000 shares, Mr. Gregerson as your share, and allow myself and Mr. McQuarrie to own 100,000 shares each that would make the thing about right and equitable to all concerned.

JOSEPH SCOWCROFT,
PRESIDENT & MANAGER.

HEBER SCOWCROFT,
VICE PRES. & ASST. MGR.

ALBERT SCOWCROFT,
VICE PRESIDENT.

WILLARD SCOWCROFT,
SECRETARY & TREASURER.

SALT LAKE OFFICE & SALESROOM, MACKINTOSH BUILDING, No 168 So. WEST TEMPLE STREET.

NEW YORK OFFICE, 72 LEONARD STREET.

CAPITAL \$ 1,000,000.

The Colorado Assaying Co.

INCORPORATED

ASSAYERS AND CHEMISTS

1854 CALIFORNIA ST.

COMPLETE ANALYSIS ON ANY ORE \$10.

This analysis will detect and report every element or metal that may be present in the ore, together with the percentage and value of each. It is the most satisfactory analysis to apply on all unknown ores, whose general appearance indicates probable values.

QUALITATIVE ANALYSIS \$5.00

This analysis will detect and report the absence or presence of the following 23 metals: Lead, Silver, Mercury, Gold, Bismuth, Arsenic, Antimony, Copper, Cadmium, Tin, Aluminum, Manganese, Cobalt, Zinc, Chromium, Strontium, Iron, Nickel, Barium, Calcium, Magnesium, Tungsten and Molybdenum.

DENVER, COLO., May 15, 1914.

Mr. Andrew F. Gregersen,

St. George, Utah.

Dear Sir:-

Replying to your inquiry of the 11th inst., wish to advise that you seem to be a little mixed up on our coupon rate system. You sent us 6 samples, each for gold, silver and copper, or a total of 18 assays. We gave you our coupon rate and according to this rate your remittance of \$5.00 paid for 14 assays or \$7.00 worth of work, consequently, you still owe us for 4 assays at 50¢ each or \$2.00. You will find this coupon rate system fully described on the enclosed folder.

Trusting that you will understand this explanation and thanking you for past favors, beg to remain

Yours very truly,

THE COLORADO ASSAYING CO.
