At the conclusion of another fruitful year at Dixie College, we, the Dixie staff, have tried to bring to you, in book form, memories of the past year. Records of the friends, activities, and social life for you to turn to in the years to come.

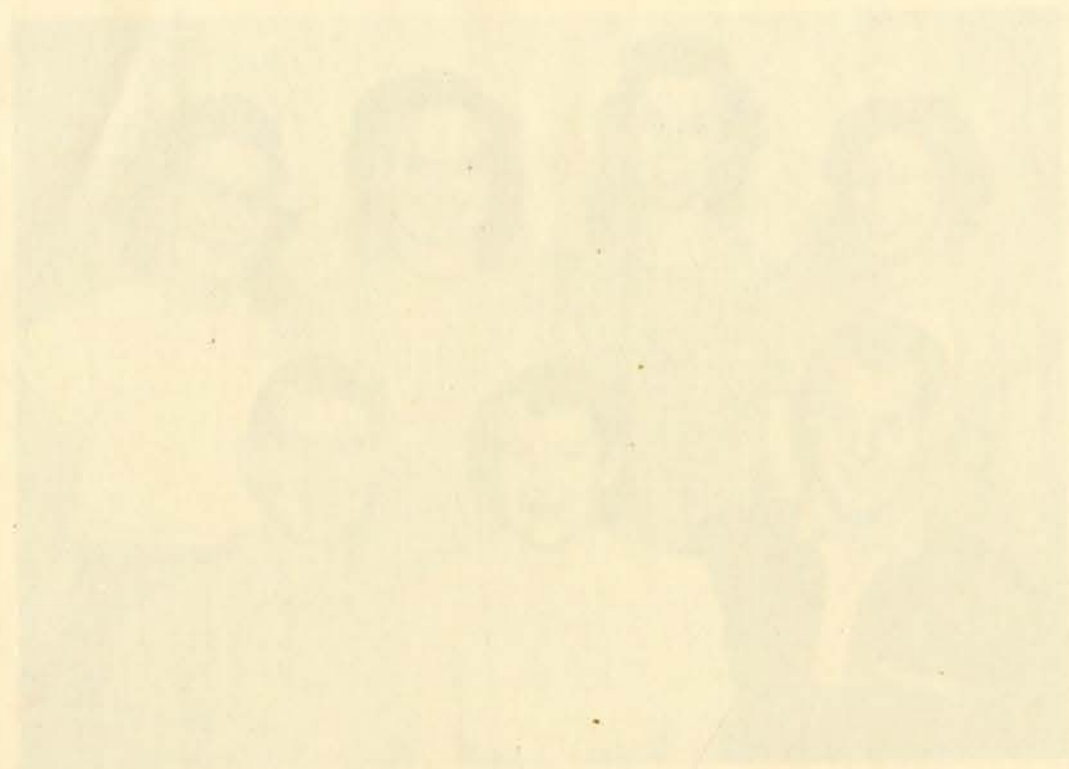

With this book we wish you, graduates, a happy future; live up to the standards of Dixie. And you, present and future Dixie—set higher and better goals at Dixie.

Special wishes and thanks to our supporters, especially our advisor, Mrs. Paxman; our photographer, Mr. Odegard, and our many contributors.

THE DIXIE STAFF.
