Dixie Topples League Leading Aggies By 32-14 Score In Stunning Upset

**B. A. C. Scores First, But
Fliers Shell Hoop From
All Angles to Cop Game**

The Dixie high Fliers did the unbelievable thing last Thursday night when they tripped the league-leading Farmers in a surprise victory going into the game as the underdogs, the Fliers were never conceded a chance to win. But they played superior ball. B. A. C. scored first on a basket by Seaman, forward. They again tossed the ball through the hoop twice in succession to give them a six to nothing lead. Dixie came to life to score a foul shot by Heaton. The Farmers scored again to give them an 8 to 3 lead, but Dixie soon cut this down to one point and the two teams played on even terms until half time. The score at the intermission being 11 to 9 in favor of the Fliers.

As the second half opened,
(Continued on page two)

COACH LEE HAFEN ROUNDS OUT TEAM FOR WESTMINSTER

Coach Lee Hafen is running the boys through the mill every night preparing for the games with Westminster here Wednesday and Thursday. After a bad start this season the "Fliers" hope to gather two more victories that will put them closer to the top of the J. C. conference. Dixie beat Westminster at Salt Lake 38 to 42 in a hectic struggle and are working hard to do it again in the two games here. Westminster has a small team this year, but make up for height with their speed. The "Fliers" are favored to win and should do if they can hit the basket at all. Basketball fans will again see some speedy games when these two teams clash.

The college cagers opened the league season here by losing two heart-breaking games to the Snow "Badgers". Both games were speedy tussles and were close all the way. It looked as if Dixie were going to win
(Continued on page two)

WINTER CARNIVAL IN DIXIE'S SNOWBOUND HILLS SLATED SOON

The big Winter Carnival sponsored by the Physical Education department and assisted by the student body and Health Education class will be held this Saturday. This will be one of the big highlights of the year. This is the first time in the history of the school such a thing has been attempted. Next Saturday when the Dixie college students assemble on the hill-tops they will be making history. It will be history that students will read for years to come; about the first annual winter sports carnival to take place in Utah's Dixie.

The place where this is going to be held will remain a mystery until reached Saturday. Students should be preparing for this glorious jaunt into the mountains, where they may play in the snow and breathe the fresh mountain air. There will be skiing, sleigh riding, toboggan riding, ski jumping and everything that goes with it. This will be a good chance to for-
(Continued on page four)

DIXIE DEBATERS TO MAKE TOUR FROM IDAHO—CALIFORNIA

Dixie debaters plan widespread tours next month. Due to the weather man the team has been prevented from doing much up to this time.

The team will go to Ephraim to attend a public speaking tournament between B. A. C., Snow and Dixie on Friday and Saturday, February 6 and 7. The next Friday and Saturday they will tour to California to compete in a tournament at Redlands college, near Los Angeles. They also intend to attend the Utah-Idaho meet at Logan the latter part of February.

The Snow tournament was scheduled for January 21 and 22, but it was postponed due to the condition of the road. The team debated B. A. C. on January 17 in a non-decision and did fairly well. The team consisting of Ruth Milne and Charley Pickett were very handy in winding up their opponents. In the debates up there Edwyn Lyman and Helen Adair were team-mates and Evans Woodbury and Abner DeMille paired up.

When they go to Snow the debaters intend to carry the Dixie spirit with them and rep-

February 8 Set For Girls' Basketball Tournament; Clubs Urged to Compete

**Worth While Trophy Prom-
ised Winner; Officials Ask
For Many Entries**

The girls' basketball tournament begins Monday, February 8, and all entries must be registered by Thursday at 4. The games will be six-minute periods with one minute rest. The games will be played at the noon hour. No girl can fail to the cause of her friends. After all look at the many valuable ways the trophy can be used. If you are not on a club team or class team make a team of your own immediate group, give yourself a name, register, and win a trophy. The only restriction is that a girl may play on one team and one team only.

The trophy will either be a loving cup or a beautiful banner. Something really worth

NEW FFA MEMBERS TO GET BADGES; INITIATIONS SLATED

All this week, beginning Monday, February 1 at eight o'clock, and running until Friday, February 5 at seven o'clock, the F. F. A. members will initiate the members of this year's agricultural classes who are joining the chapter for the first time. Friday evening a ceremony will be held, during which the new members will be presented with badges.

Among those who will be initiated into the chapter are Justin Toltin and Marion McMullin. Justin is a public speaking

SCHOOL SCHEDULE FOR —February 1 to 20—

February 5th and 6th—
Westminster vs. Dixie
Dance each night after the games.
February 12—
Dixie vs. Hurricane high.
February 13—
Valley high vs. Dixie high.
February 19 and 20—
B. A. C. vs. Dixie College
Dance after game each night.

School Spirit vs Fault-finding, To Be New Game, Says Writer

School spirit was built by you and me,
Not attained in one leap.
Students, not Gods,
devised it,
And students, not Gods,
must keep it.

I wonder how many of those individuals, who find so much fault with our school and it's system of ruling, have ever stopped to see what amount of spirit or effort they were putting forth to better our school, or have ever stopped to analyze what the precious guardians of our institution means.

Is it not that these persons are too ignorant of our policies, and too careless to treasure the school's value?

Our athletic teams work hard and give over all their effort

and time in order to add more glory and honor to our school. But they cannot possibly win these honors alone. They lack the loyal backing support and enthusiasm that each student can give them.

If we students of Dixie do not honor and respect our school, who will?

Let us give first thought to the purpose of preserving what is best, and improving that which can be amended.

Let us build school spirit where every student is sovereign, and where NO ONE cares to wear the crown—every year presents a battlefield and every day brings forth occasion for the display of a patriotism whose essence is service.

(Continued on page four)

DIXIE BEATS B. A. C.

(Continued from first page)

Dixie scored a neat executed play from center. At this point the Fliers really began to play, passing the ball in a razzle dazzle style. Led by "Red" Gardner, carrot-headed forward, they began tossing baskets in from every angle of the gym. Every man on the Dixie team was fighting to the limit, all of them determined to take the B. A. C. into camp. The lads from the school soon built up a comfortable lead and kept it until the end of the game. This is the best game the high school has played this year. They showed more fight than ever before, passed the ball in great form, and most of all were making their baskets. The boys showed a reversal of that from that of the Enterprise game, which they lost by two points, 31-29. If the high school team had played like this against Kanab, Enterprise, and Valley high they would be leading the Dixie league.

This was a great victory for Dixie because B. A. C. was leading the teams in this district. If Dixie can win the rest of the games they will have chance to bid for a berth in the state tournament. Coach Hafen is very much pleased with the boys and says that they are going to win the rest of their games. Wendell Gardner led the scorers in the game with B. A. C. with 15 points. Schmutz, lanky center was next with six points. Heaton, Brooks and Prince shone on the defense holding the B. A. C. scorers down to 14 points.

Victim of Hit and Run Driver

A victim of eternal night!
A hoary man devoid of sight,
His teeth were gone, his nose
was broke.
His voice was falling 'ere he
spoke.
And there upon his wrinkled
brow
Was anguish writ, I see it now!
He tottered along with crutch
and cane.
He suffers now enteral pain!
This man who once was young
and gay,
Who used to watch the fairies
play,
Who lingered by a mountain
stream,
To whom all nature was a
dream;
With eyesight gone, and need-
less pain.
The hit and run driver had
scored again!

SPORT SIDE-LIGHTS

Friday night Dixie lost two games by the same scores, 31-29. Both the Dixie teams made the same number of fouls and the same number of field goals. This is rather unusual for a school to loose two games by the same number of fouls and field goals in one night.

Enterprise beat Dixie for the first time at St. George last Friday night. This is something Coach Pectol has been wanting to do for a long time. It is also the first time in the history of the Dixie college that Enterprise has beaten Dixie twice in one season.

If Clayton Stratton keeps playing as good the rest of the season as he did in the Snow series he will make all-conference guard. Clay was all over the floor both nights and was a terror to the Snow boys. We thoroughly believe that if Garn "Blondy" Heaton had not gone out on fouls Saturday nite during the Snow game, that Dixie would have won. Garn seemed to give the rest of the team the fighting spirit.

Anthony Snow is one of the best ping-pong players in the school, I'll wager that he can beat anybody around the campus. Anthony learned to play ping-pong at the B. Y. U. this fall. He used to practice every night with the state champion. Tony also made the freshmen basketball squad.

Skiing has made its first appearance in Dixie. Last week when the snow was deep and fresh upon the red hill, a few of the Dixie boys made a nice runway and did some fancy skiing. Among the notables were Chas. Pickett, Evan Pickett, Grant "Tarzan" Brooks. Skiing fans who saw them were very much pleased with the form and speed they showed. Some of the other students have been going up to the city reservoir on the way up to Pine Valley to ski.

One thing about the league basketball games in Dixie this year is that they have plenty of added color. The band with their fine music gives the players plenty of fight. The Pep girls in their pretty dresses and the large crowds add zest to the games.

The other night in the ball game, when the referee made a decision that didn't suit the crowd a few boos could be heard. Booing is the worst thing the crowd could do. The referee has the right to give the visiting team a foul pitch. Giving the Bronx cheer is a very unsportsman like thing to do. So students do not boo in a ball game,

because you are only doing your own team an injustice.

Forecast of games:

Dixie 39—Westminster 36.
Dixie 40—Westminster 38.

Dixie-B. A. C.
Split 2 Games

Last Friday at Cedar City the Branch Aggies came through with an unexpected victory, when they trounced the Dixie college 61 to 39. The game Friday night started out like it was going to be a real battle with Dixie taking the lead 6 to 2 as the fracas got underway, but this lead had a very short life, because the Branch Aggies started to hit the hoop with rare form. Led by Chidester, spindle-B. A. C. forward the Aggies soon ran up a very comfortable margin and kept it throughout the rest of the game. The Dixie boys just didn't seem to have any life Friday night being out-fought and out-played during the entire game. In the last quarter Dixie cut the B. A. C. lead down to 20 points. Milne, Price, and Wade were the chief scorers for Dixie, while Chidester, Hunt, Davis, and Chamberlain handled the B. A. C. side of the scoring. Coach Hafen gave all his lads a chance to take part in the track meet, the reserves showed more life than the regulars.

Coach Hafen arose Saturday morning after playing the game over with B. A. C. all night and immediately gathered the boys together. He told them to make up their minds to the fact that they were going to beat B. A. C. This seemed to put more of a desire into the fellows to beat the Aggies Saturday night because when they came out on the floor of B. A. C.'s gym they showed much more life than the night before. The game Saturday night was not as close throughout as the score indicates. There was not a basket made on either side during the first three minutes of play. Dixie finally cracked the ice by scoring a field goal and converting two foul pitches to take a four to nothing lead. The Farmers soon tied the score up on two field goals by Watts and Davis. Stratton, Heaton, and Wade started to toss the oval through the hoop and soon gave Dixie a healthy lead by the time the first half was half over. Both teams came out fighting as the

DIXIE PREPARES

(Continued from first page)

both nights, but Snow came through with those needed points to give them the victories. The first game was nip and tuck all the way with one team scoring then the other. Dixie led by two points with two minutes to go, thanks to Boyden who shot in a nice basket from center, but Snow soon tied the score again on foul pitches by Anderson, lanky center. Then with only a half-minute to go Anderson of Snow sank one from the center of the floor to give the Badgers the game 31 to 29. In the second game Dixie took an early lead and kept it until the last three minutes of play. At this point Heaton of Dixie was ejected from the game via the personal foul route. Snow took advantage of this and tied up the score. The two teams battled for a minute with the score tied before Hall, Snow forward, tossed in a basket and a foul to put Dixie on the short end of the score 33 to 30. Stratton was outstanding for Dixie both nights gathering 17 points in two games. Heaton was right behind with 16 and Price next with 13. Anderson and Hall paved the way both nights for Snow to win. Another big reason for Dixie's defeat was that they couldn't make their foul pitches. These games were hard to lose, but anything can happen in college basketball and we can take it.

second half started and reminded one of the Dixie-B. A. C. game of old. The two teams battled on even terms with Dixie keeping a 10 point lead. With about four minutes to go and the score 33 to 40 for Dixie, the Farmers started a hefty rally. Chamberlain, flashy and speedy B. A. C. forward, who had been held scoreless the first half came through with two baskets to bring B. A. C. within 3 points of Dixie. Stratton tossed in a next basket and Heaton contributed a foul pitch to bring Dixie up to 43. Christensen reserve guard for B. A. C. scored two field goals making the score 41 to 45 for Dixie. With 15 seconds to go Chamberlain scored a foul pitch and not 5 seconds later, Davis, Aggie guard dribbled up the floor and sank a beautiful long shot from the center just as the gun ended the game. The score was 45-44 for Dixie. Capt. Clayton Stratton was the outstanding player on the floor scoring 15 points from the guard line and playing a great floor game.

I-WANNA-KNOW

If LeGrande Nelson uses blueing his eyes or if its the reflection from his blue sweater, or—if its the reflection from Alice's blue eyes.

If Edith Sullivan is really just a good old 1929 flirt.

If there's something wrong with my eyes or Erwin Foster has really lost two "spots".

Why somebody yelled for Snow the other nite after having as much as we have, Nutz).

If Leda Heaton has definitely decided not to be true to a certain "Elder" or if she's just kidding Erwin.

How Norma got two black eyes by falling on her nose.

Why Rodney Neilson has suddenly become a gentleman. (As if he hasn't always been. Some joke!)

The price of rice in China!

If Raymond Cottam is really going to join the insurgents in Spain.

Why Pershing Nelson doesn't like the school socials.

If Hal is going to Washington next Friday.

Who Fay Reber's staying true to.

Who's whose on the campus. If winter comes will spring be far behind.

Socials and More Socials

Wednesday night at our social We had the most darn fun. Just the liveliest students were to it, And this is how 'twas run. First, we did some dancing, Mixers with three in a ring, While some of the fellows waltzed with a broom And did they make it swing! Then a Grand March over and under, And crosswise, and straight in in a line. We relayed up and down the hall Playing Walter Raleigh so fine. Next, Clothespins and Loca-motion And Goodnight Ladies, of course, While the crowd scattered for coats and hats Leaving the fun with remorse. The socials really get better Each one in its turn And if you can't dance the Polka That's the place to learn. So let's don't miss another, but be there every time. In case you're getting discouraged, They're better than this rhyme.

P. S. It's a good place to get the low-down on the love affairs—for example, Hortense and Garth.

Club Activities

LAMBDA BETA THETA

At our Lambda Beta Theta meetings we have been studying some of the more interesting new books. We find these books as engrossing as any novel, and extremely educational.

On January 14, Mrs. LaBurt Sorenson gave us "The American Doctor's Odyssey", by Vitcor Hyper, M. D.; and on January 21, Mrs. Gertrude McArthur gave a drama of five acts, "Mourning Becomes Electra", by Eugene O'Neil.

The pledges entertained the sorority members on January 20. Progressive games were played, and our colors of crimson and gold were carried out very effectively in the refreshments.

Pledge officers have been recently elected; they are: Ione Judd, president; Aurey Burgess, vice-president; Naomi Fordham, secretary.

Our club is organizing a basketball team to compete with other clubs. The L. B. T. now holds the cup given last year by the G. A. A. and we're out to defend our title.

SENIOR CLASS

The annual class pins of the graduating college senior class arrived last week after having been ordered since December 23.

The pattern of the pin is much the same as that of last year but it is of a heavier build. The familiar "D" with the years tied together by a gold chain seems to have become the standard for college graduating classes. Fifteen pins were ordered of which 14 have been paid for by members of the class, the extra being for anyone who will want one now. They are valued at \$4.00.

Another order will be sent in the immediate future and Evelyn Snow, class secretary, wants all orders which are to be sent, handed to her soon so that this order may be filled before the end of school.

The Senior Hop is scheduled for March 5. A Senior party was held in November to raise proceeds for the expenses of the Ball. Many Seniors express regrets at the fact that the Junior Prom which has heretofore been put on by the Senior class will be put on this year by the Junior class under the new system of naming classes which was initiated last fall.

PEP CLUB

After 'em men!
After 'em men!
After 'em men!

The Pep club "Chant".

Did everyone get in on the games Monday and Tuesday? The games got too exciting to think about long yells, at times, so we went into a "Chant". We did our best at the Snow games for the boys, and we know they did their best for Dixie.

Don't think we've been just resting since football season. No, sir-ee, the Pep girls have been dieting regularly every Wednesday noon. No! Not to reduce, but to learn formations for our big games. Just notice our smoke from now on.

We'll be prepared for Westminster next, to help the boys take them down a couple of notches.

After 'em men!

FOR AN INTERESTING HALF HOUR, ASK . . .

Bonnie who the mysterious brunette is that has type at 1:30. Edith how you tell the sex of a baby.

Vivian where she learned to play Keeno.

Ted how to play Postoffice.

Bish and Fawn what their original yells are.

Afton Snow if C. C. means Cedar City.

Bish just what the facts are about the California girl whose picture is so lonely it just won't stay in his pocket.

Hortense to tell the joke about the farmer.

Paul Chadburn if Fontella Giles is her name.

Mrs. Gardner to show you Wendall's baby picture.

Adelia for the jokes she doesn't print.

Rodney why he's quiet in the library.

Andy H.: "I hardly know what to do with my week end here."

Shirley W.: "Why don't you put your hat on it."

We wish to thank you students who have contributed to the Chaser. It helps a lot and we invite more of you to hand in your poems, jokes, essays, etc. If you are modest and do not wish your name attached just say so and we'll help keep the secret—but hand them in anyway.

DESERT-ICEBERGS — WHICH WILL YOU HAVE?

'Tis the day before tomorrow, When all through the school To our very great sorrow Something's wrong with the fuel. When we dash through a hall, It's so cold that we shake. We wish they'd install Some real heat—for Pete's sake

As we spring from our seat, And run to our room, What a change do we meet— The heat is our doom!

Of course we all know It's not so bad as all this, But if there's improvement to show,

Then our point's not amiss!

POEM

This paper's called the Dixie Chaser

(As everyone knows) And since Dixie means the students,

T'would be natural to suppose

That they boost it like the devil And build up a newsy nose.

But there persists a lack of spirit—

And not a student seems to care

If the paper goes to press or not—

Yet they'd raise the college square

If it didn't come out promptly, Or there were blank spots here and there.

How many buy a paper And kick at what they buy?

How many had in articles Or even think to try?

Do we want the Dixie Chaser, Or shall we let it slowly die?

—Marjorie Burgess.

AHEM AND A COUPLE OF COUGH-COUGHs

We feel our painful duty, To inform you Dixie folks, We don't wish to attend the socials,

Nor indulge in campus jokes. We're conscientious students, And we wish to be left alone,

We want no dates or parties, But to make our time our own, Don't send us any invitations,

Or invite us anywhere, For saving you embarrassment, Is our reason to be there.

Too much frivolity in Dixie, Too much time spent in play, Is no way to go to college,

So just let us go OUR way. Signed,

Shirl Pitchforth, Justin Tol-
lin, Ted Simmons, Lloyd Bleak,
Rodney Neilson, Andrew Steph-
ens, Keith Barber, Pershing Nel-
son, LeGrande Nelson, and Mar-
ion Bowler.

GIRLS' TOURNAMENT

(Continued from first page)
having and an honor to win.

Are you lower division students going to let the Lambda Beta Theta take the cup again? No? Then let's have an unlimited number of teams registered. What about the Art Guild? Don't you think the trophy would look nice with the rest of the collection you have to your credit.

Hint: Maybe Mr. Beck could coach you. If he does then look out L. B. T. And there's the Delta Phi Alpha. I am sure that there could be restrictions to your limitations and if the cup fell to your keeping you would be worthy of it. I think that since the Amitia girls are so close this year, that they could be represented very highly. And last but not least the Piano club. Remember Miss Woodhouse and what a jolly good sport she was while playing in last year's tournament? By the way Miss Woodhouse, don't you think a loving cup standing on your piano would look nice? Let's have you and your girls back this year.

You can register with Yours Truly, Helen Seaman, who can be found loitering around the campus most hours of the day looking for a sign of spring (gosh, I am beginning to believe there is no such thing as a spring, either running, jumping or coming).

Pick yourself a team and have the time of your lifetime trying to make this the most successful tournament and enjoy yourself while doing it.

Come on Girls, lets go! Where? To the gym every noon hour beginning February 8.

Note: We will reserve seats for all faculty members who will make reservations before hand.

Seen and Heard on the Campus

Things You Should Notice

Coach Hafen's bald spot during a game.
Tony's face when Tart makes a basket.
That Norma is not wearing her ring.
Naomi Fordham's new wrist watch.
Marion Bowler's rosy cheeks.

Nelda says she wishes Carlos and Keith wouldn't take such liberties in her apartment. They scattered bath powder all over the floor Monday night.

Milton's out to get Edith, Edith's after Justin, Justin's after Cecile, Cecile wants Merlin, Merlin wants to go with all the girls, all the girls want to go with Milton. Say, what is this Merry-go-round?

Being student body officers sure draws pepole together. Take the President and Vice-president—they have to burn Lytle's midnight oil, studying the problems of the school.

Clell says that there is one advantage in going with the Justice of the Peace's daughter. He can get a wholesale price on a marriage.

Elizabeth: "Is this a second-hand shop?"
Proprietor: "Yes."
Elizabeth: "Good, I want a second hand for my watch."

France was recently alarmed over a "sit-down" strike, in which the workers reclined beside their tools and refused to move. Over here we'd call it a PWA project.

"And", said Miss Snow, "have you ever stopped to realize if Paul Revere had stuttered we would probably never have defeated the British?"

Late arrival at ball game: "What's the score?"
Rodney: "Nothing to nothing."
Late arrival: "Say! It hasn't started yet."

Maxine: "Wonder what causes indigestion?"

Norma: "The inability of a round stomach to adjust itself to a square meal."

Definition

Broadway is a place where people spend money they haven't earned to buy things they don't need to impress people they don't like.

Voices in the dead of night in the Dorm:

"Wake up, quick, wake up!"
"Can't."
"Why not?"
"Ain't sleeping!"

"Pa, what is a Board of Education?"

"When I went to school, son, it was a pine shingle!"

Bish: "If it wasn't for me, you'd be the biggest fool in this college."

Wendell: "Oh, so your the tops?"

Blanche says Arlo Prisbrey may be brilliant in school but he sure has a lot to learn—

"Mr. Chairman", complained the speaker. "I have been on my feet for nearly ten minutes, but there is so much interruption I can hardly hear myself speak."

"Cheer up my friend," came a voice from the rear, "you're not missing much."

The tall, proud girl turned to the white-robed figure haughtily: "Haven't you any heart?" she asked.

Man: "No!" he growled.

Girl: "Well then, give me ten cents worth of liver."

TREES

I think that I shall never see
Along the road an unscrapped tree.

With bark intact and painted white,

That some car has not hit at night.

For every tree that's near the road,

Has caused someone to be towed.

Sideswiping trees is done a lot,
By drivers who are not so hot.
God gave them eyes so they could see,

Yet any fool can hit a tree.

(From a signboard at the Cedar City grave yard.)

F. F. A. MEMBERS

(Continued from first page)
entry and Marion is preparing to go to the national F. F. A. band meet at Kansas during the coming October.

February 15 the entire chapter and their fathers will hold the chapter's fathers and sons banquet. Harold Hafen, president of the chapter, has been appointed master of ceremonies for the occasion. Rex Bleak is chairman of the banquet committee.

Announcement!

Pete Hastings wishes to announce that immediately following next Monday, Tuesday, Wednesday of next week is Thursday, Friday and Saturday.

DEBATING TEAM

(Continued from first page)

resent the high intelligence of this school. They are now practicing every day to attain versatility. The debaters are all juniors and rather inexperienced except Ruth Milne, who was on the college team of last year. Evans Woodbury and Abner DeMille were members of Hurricane high's team last year. Charley Pickett was on the high school debating team here two years ago and his debating shows he has some of his father's ability. Edwin Lyman and Helen Adair, the other two members, have neither had any experience at debating before; however, Ed's missionary training has well qualified him. Helen is doing very well, even though she hasn't had much experience.

WINTER CARNIVAL

(Continued from first page)

get your worries and improve your health. Here the students will be able to learn how to ski and will be able to see such great skiers as Doctor Beck, Gus Shields, Coach Hafen, Pres. Smith, Tart Price, Miss Ahlstrom and a number of other great stars.

Plan now for this mystery trip into the mountains. You will have the time of your life. Hundreds are expected to be there to romp around in the wonderful sunshine and snow. Coach Hafen, LaVoy Esplin and Doctor Beck are getting things ready so that everything will be in tip-top shape Saturday morning.

SPORTS CARNIVAL

(Continued from first page)

So come on fellow students! Don't just take our school for granted! Let's have a "New Deal" under which each student must radiate a school spirit which we can cherish and defend against all of our competitors, both from within and without—let's each do OUR PART to bring back our good old DIXIE SPIRIT!

—Shirley Webb.

Mr. Woodbury: "If you had a little more spunk you would stand better in your classes. Do you know what spunk is?"

Guy Tobler: "Yes, the past tense of spank."
