With assurity of faith in our past and our future we dedicate this 1955 "Dixie" to — "DIXIE - NOW AND FOREVER."

Dixie College will never die. There is too much of the life blood of the pioneers, who toiled to build her, still within us. There have been and still are those who will give some of their very "last" to keep Dixie growing. Dixie stands for all that is noble, good, and true. As long as the students of Dixie hold these characteristics high in their sights, the realization our founders had will ever be.

The spirit instilled in the hearts of every student who comes to Dixie will act as a guide to instruct and enlighten their paths. With this spirit spread near and far by those who leave Dixie, our school will always be. Nothing, having such wholesome and fine opportunities as Dixie offers, could cease to grow.

Yes, Dixie stands — NOW AND FOREVER — waiting to answer the call beckoning on to higher education.

Your Campus---

Act!
The future is Now

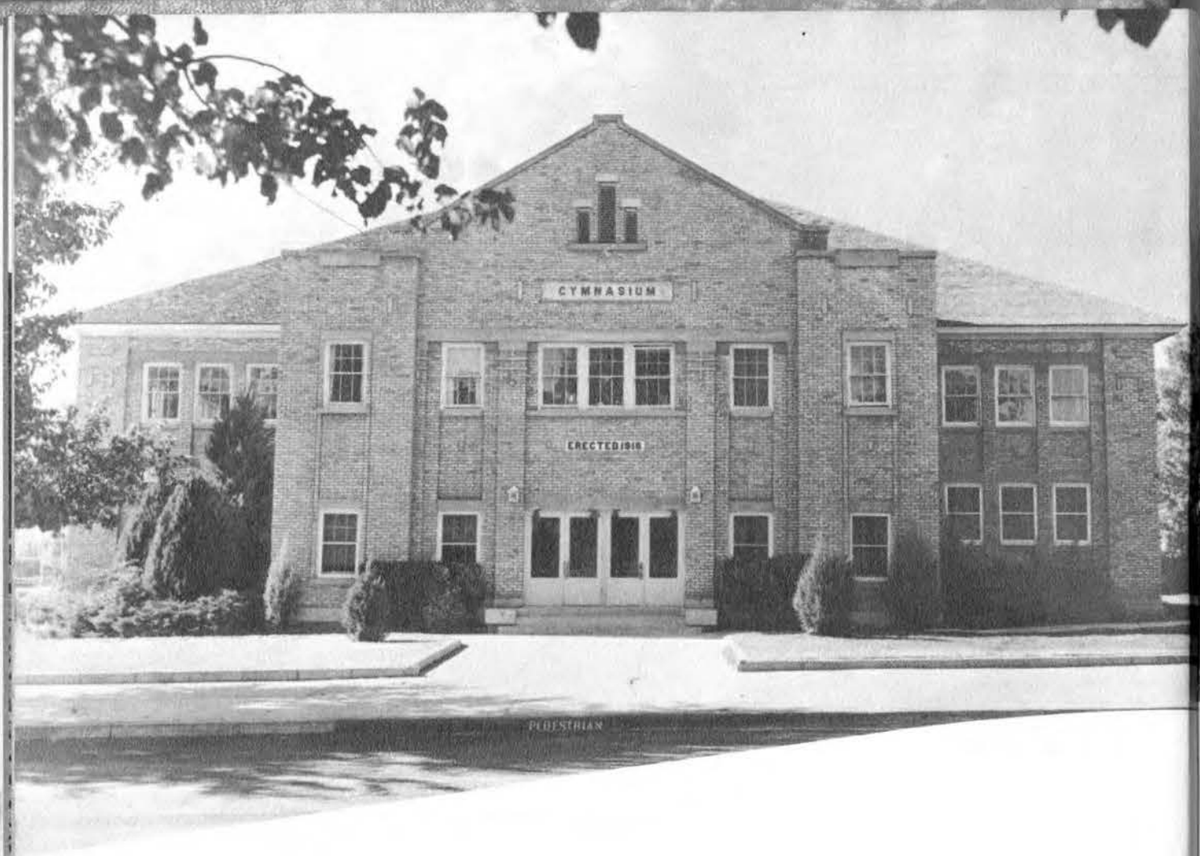

With the beginning of each new school year, the halls of the administration building ring with the voices of students selecting those projects and classes which lay the foundation of their future. Few realize the effect their selections will have upon them. Many keep right on thinking that they can wait for tomorrow or the near future to devote serious attention to their undertakings. How wrong they are for the **future is now.** Each new minute is the future—it is not something that is always going to come—it is now. The very smallest thing you do has a bearing on the outcome of your future.

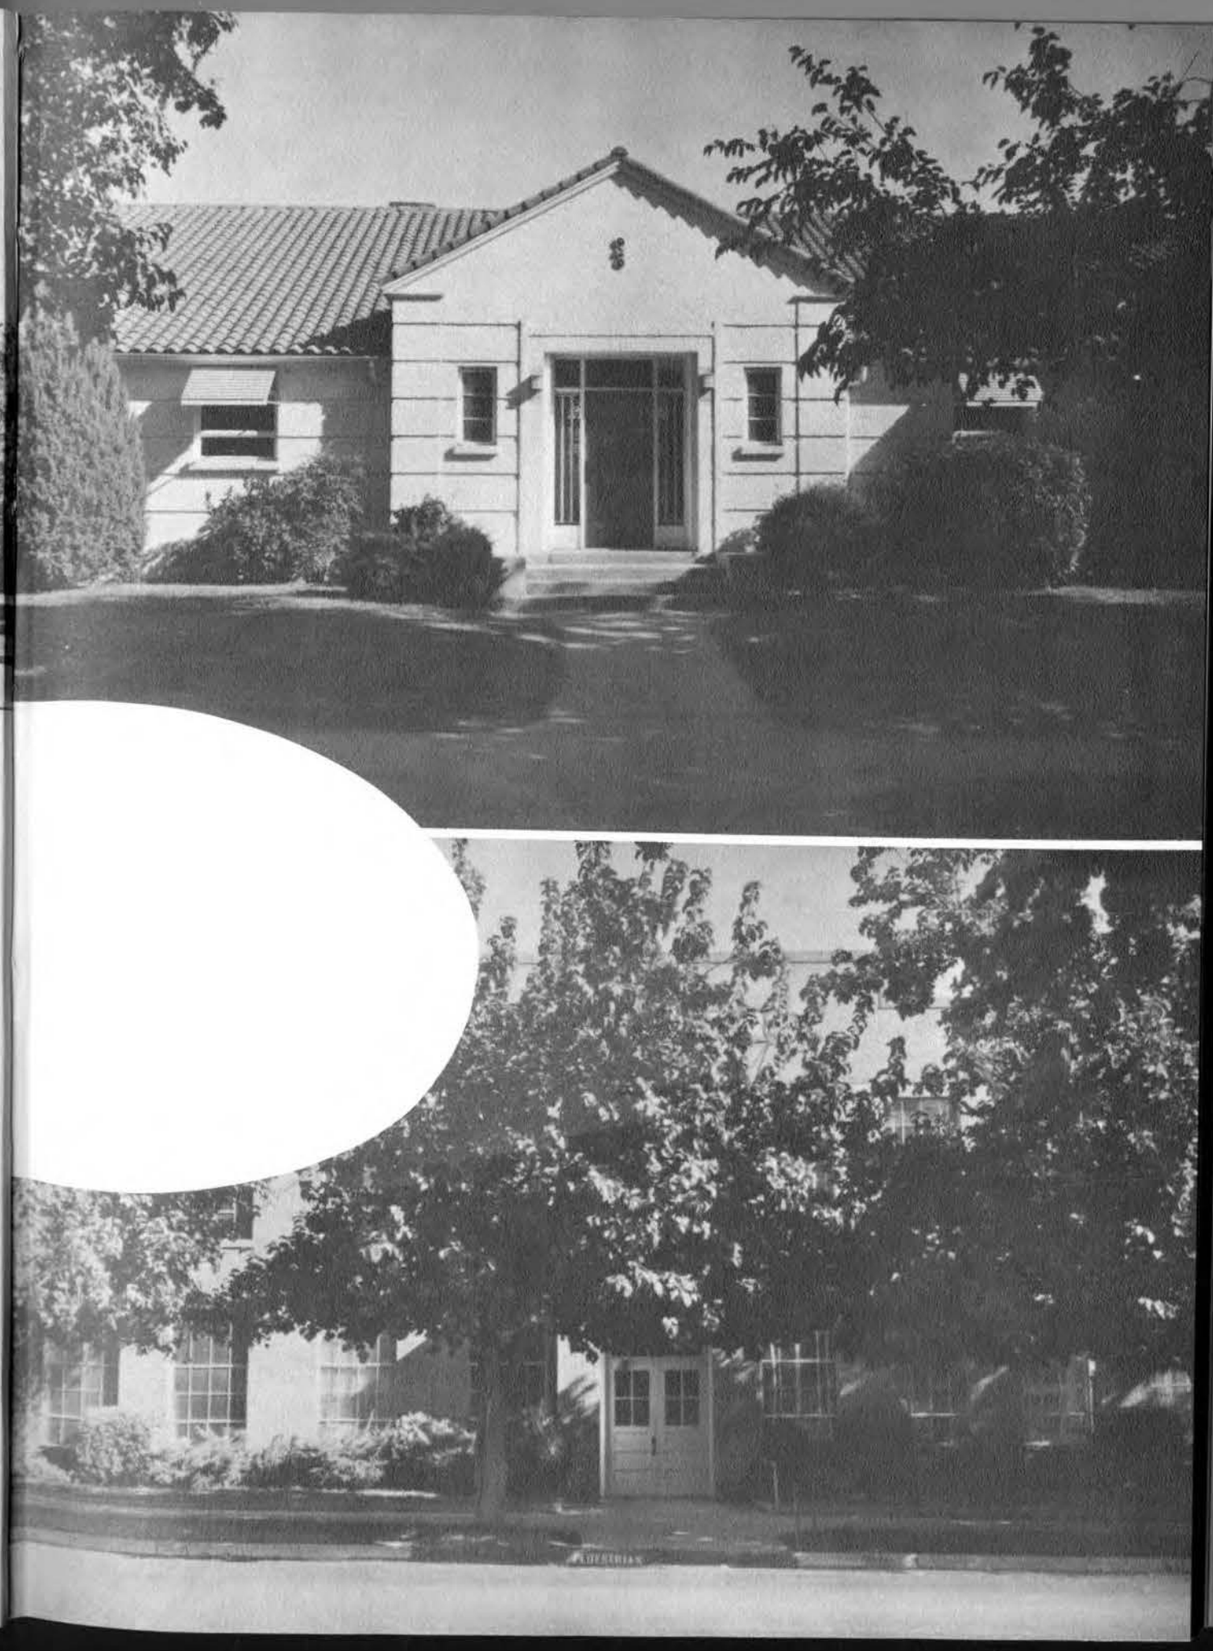

Keep this in mind upon entering our administration building. Whether you are attending history, English, painting a picture, or just spending an hour in the library, use it to the very best of your advantage.

The opportunities afforded us at school can not be brought back after we once shrug them.

Each student's future is just what he makes it.

The **future is now**—don't you **act** too late.

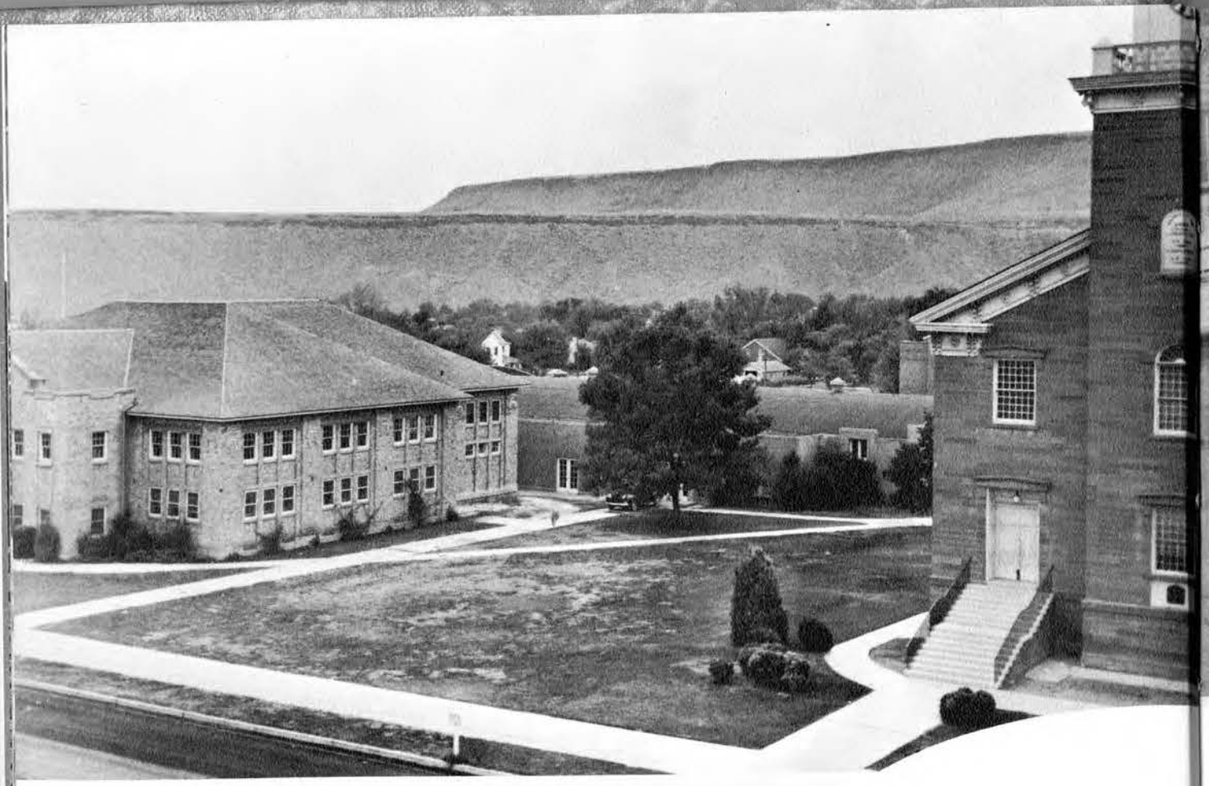

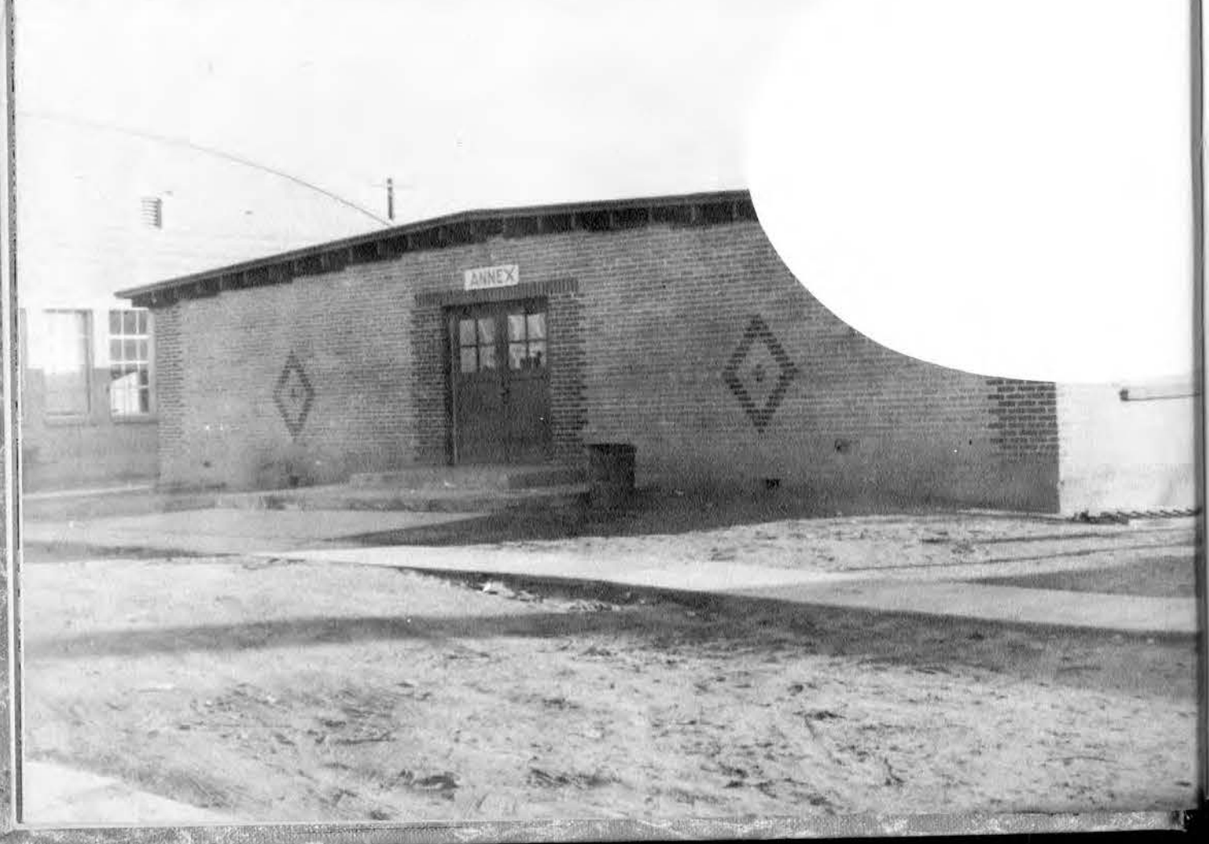

BUILDINGS

Our buildings—blocks of stone stuck together with plaster to create some of the most attended and best loved retreats of our entire lives. Our buildings have become a part of every one of us. The science building—better known as the place of stinks and smells, where skunks are "de-smelled," fingers burned, test tubes smashed, mid-term tests are flunked—all a memorable part of attending Dixie.

The L. D. S. Institute of Religion—the home of the Lambda Delta Sigma, where parties commemorating every important seasonal holiday are held and are forever remembered.

Our gymnasium, where many bitter and breath-taking battles are bravely fought. Here we have danced many times until holes were formed in our original stockings.

32803

Here at Dixie we **have** more than biology labs, math exams, and English tests. We **do** more than attend classes and do lessons. We have the Annex building wherein we find our student lounge. Always we have students associating with each other and making friendships that live forever. Our lounge is a new addition this year and everyone agrees that it has now become an essential part of our campus.

The St. George Municipal swimming pool where many happy, splashing hours are spent. Our pleasant Dixie climate makes it possible for swimming about six months of the year.

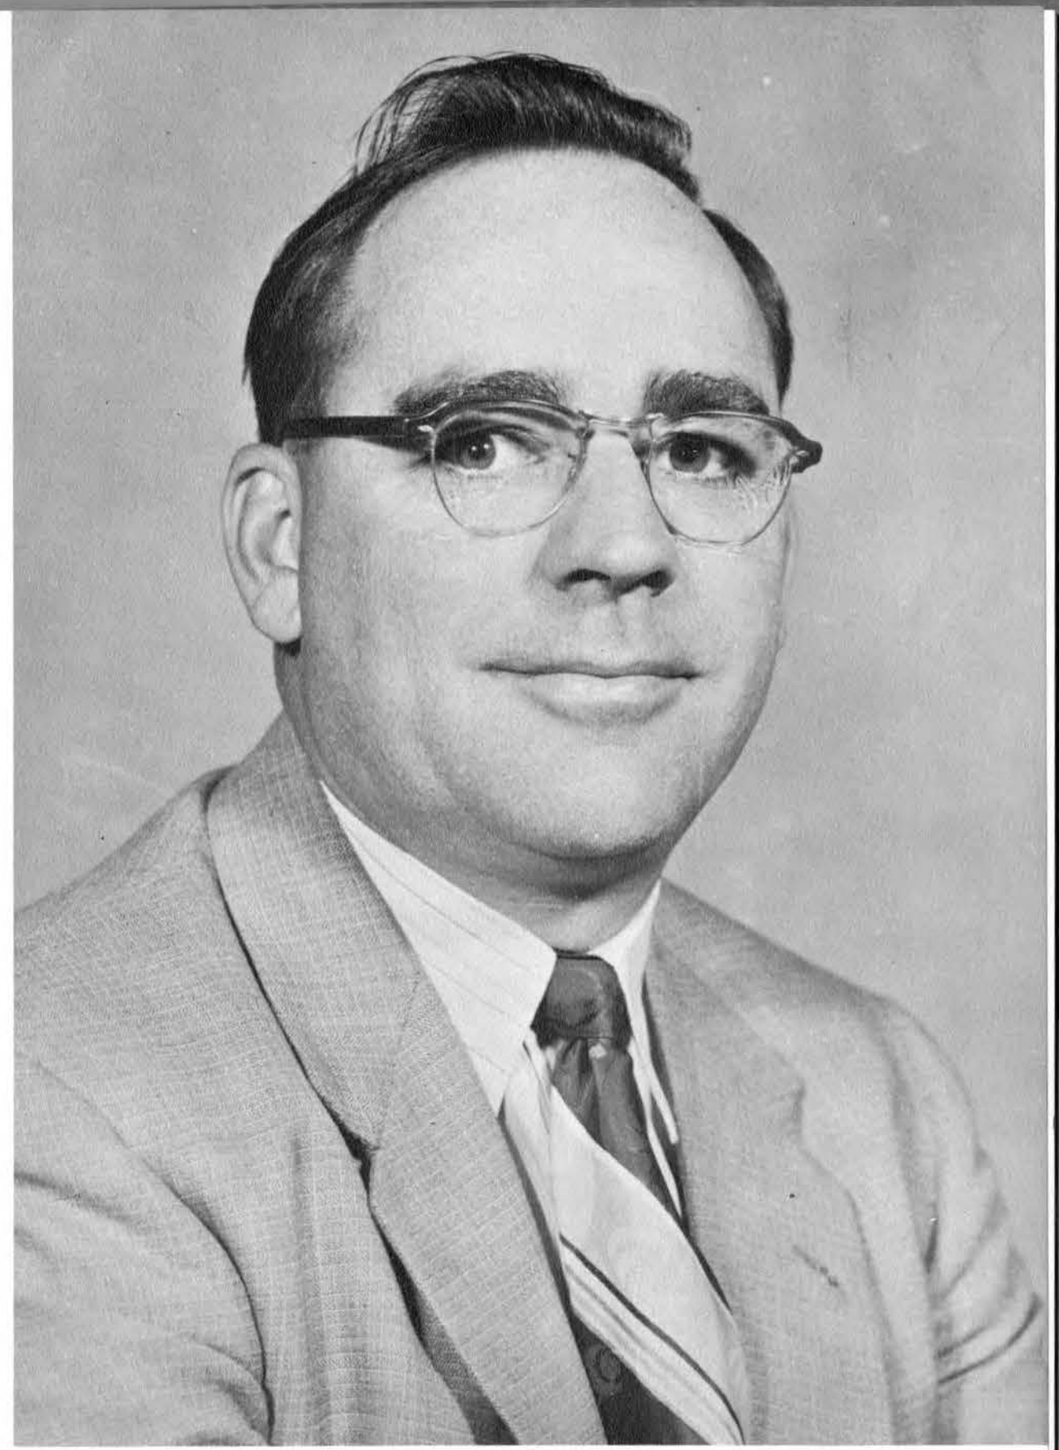

The St. George Stake Recreation Hall, located in the background of the picture, where all our important dances of the year are held. The Homecoming Dance, the Harvest Ball, the Christmas Dance, the Sweethearts Ball and many others. A place of gaiety and a place of sentimentality.

We love our campus. There is no place on earth like Dixie!

Administration

The President Speaks

The Junior College years—a time when things are neither black or white, but varied shades of grey. On the white, or lighter side, you discover you have freedom never known before—freedom to select your choice of study, freedom to cut a class and lounge upon the lawn, freedom to throw aside the books and laugh 'till early dawn. Yet, you realize that with your new found choice you also have responsibility—the future lies ahead, and it is yours. It is then the books must again be gathered, the invitation to make merry be declined, and labs replace the lawn. Thus from a constant conflict, of what you feel, and what you think, a picture slowly forms—a pattern for a life that lies ahead. To be most pleasing, and best remembered, it cannot be too dark. Nor can it have a pleasing character if it is thin or bleached. It will be painted day by day. The future is now.

Division Directors

Donald C. Cameron
Dean of Students

Always at the beck and call of the students are the heads of the different divisions. It is their job to help students in their choosing of classes and in filling requirements for graduation. Their time and efforts are never in vain. Maybe it is not always shown to them, but the students do apperciate them. Theirs is an "unsung" duty.

Students taking advantage of the opportunities offered in the humanities department — art, drama, speech, languages and grammar—develop a broad outlook on life which enables them to live more effectively in the society of today.

Nothing is lacking in our music activities. All have a chance to develop their talents whether in solo or group participation. Fun and enjoyment are essential ingredients also.

It is the duty of the elected officers to act for the student body in all activities.

As the leaders of the student body, our elected officers, with the help of individual students and student committees, have a year round job. Bryant's duties put him to hours of work; his job involves a little bit of everything—seeing that student affairs are all running smoothly. Laurelle is in charge of all assemblies—need we say more. Jerry's job, one of the busiest, is to act as chairman of the Sociability Committee. Mary Helen and Daniel have the responsibility of keeping the boys and girls happy when their own special Boys' or Girls' Day rolls around. As a student body, we really appreciate these kids—they're really "Tops!"

Boys' Pep Club

Although the Boys' Pep Club is new this year—small in number at that—we hope to see it continue to grow in the future years at Dixie. Under their leadership our new bulletin board was constructed.

69

The Girls' Pep Club is a few steps ahead of the boys', but to keep it as such every girl's support is needed. To raise needed funds the girls have sweater and cake raffles—proved profitable. The school, and especially the teams, need the support of the pep clubs at **all** games. To hear all the students behind them, the teams acquire a bigger fighting spirit. The crowd not only gets the spirit of the game with the yelling, but with the half-time activities also.

High School Debate

High School Debate. We may be small in number but big in spirit. We journey from near and far, from Hurricane to Las Vegas to Ogden and other battlefields of competition. This year our question has been: "Resolved that the Federal Government should initiate a policy of Free Trade among nations friendly to the United States." We've been successful, we've had lots of fun; an experience we'll never forget.

Row 1: Joyce Caudill, Doris Graff, Cleone Wallis, Geniel McConkie.
Row 2: Connie Corbett, Sponsor; Gale Judd, Karen Vawdrey, Helen Miles, Ina Reber.

W. A. A. Officers

The Women's Athletic Association is an organization that has been organized here at Dixie College. It is organized for the girls to develop good sportsmanship, to develop their athletic talents and to have a good time. It is comprised of several teams of girls who meet at noon hours and play each other in the various sports: volleyball, basketball, and baseball. We also travel to other schools to compete.

Row 1: Rochelle Rollins, Shirlee Harris, Jerry Graff, Chairman; Diane Olson, Sherrie Ott.
Row 2: Clinton Lytle, Lawrence Snell, Ted Everett, Wendell Gray, Raymond Christian.
Row 3: Philip Reber, Keith Reichmann, Clark Thomas.

Sociability Committee

The function of the Socialability Committee is to sponsor the school dances of the year (not including the various club dances). Other functions are to meet the visiting ball teams and assist them in any way possible. We provide apples or oranges to the ball teams after every ball game. We are in charge of school parties and parties held for ball teams. Usually we sponsor one assembly.

OFFICERS

Stanley Esplin, President; El Roy Stucki, Vice-Pres.; Fred Wilkinson, Treasurer; Doug Hunt, Secretary; Lloyd Booth, Reporter; Jim Graff, Sentinal.

F. F. A.

The Future Farmers of America is a national organization of boys studying vocational agriculture. The primary aim of the F.F.A. is the development of agricultural leadership, cooperation, and citizenship. The annual events which strive to build these qualities are public speaking contests, officers' training schools, and livestock judging contests, etc.

OFFICERS

Betty Jane Rydman, President; Sherri Ann Ott, President-Elect; Diane Olson, Secretary-Treasurer; Annette Snow, Historian; Geniel McConkie, Reporter.

F. H. A.

We are the Future Homemakers of America
We face the future with warm courage, and high hope.
For we have the clear consciousness of seeking
Old and precious values.

For we are the builders of homes
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of American
We face the future with warm courage and high hope.

OFFICERS

Louie Mae Alvey, President; Ethel Pointer, Vice President; Mary LaRee McAllister, Secretary; Eulaleone Hopkins, Reporter; T. Wendell Bayles, Sponsor.

F. B. L. A.

The Dixie College F.B.L.A. is a chapter of the national organization. Our purpose is to help train students entering the business field. We sponsor a dance and an assembly. We also plan a business trip sometime during the year.

OFFICERS

Gary Wayne Graff, Vice-President; Jeane Bowler, Secretary; Wilma Howard, Reporter; Walter Brooks, Sponsor.

Spanish Club

Club De Espanol is composed of students now taking Spanish and those who have already had it in the past.

The purpose of the club is to become better acquainted with the customs and ways of our Latin American friends. This is done by learning their language, eating Spanish dishes, viewing motion pictures, and taking an annual trip to some part of Mexico. The trip this year was to Mexico City.

OFFICERS

Kenneth Schiefer, President; Darrell Graff, Vice-President; Sheron Snow, Secretary; Lawrence Snell, Reporter; Irene Everett, Sponsor.

German Club

Although the Deutsche Verein has not been on the campus for several years, the new club was organized and formed a constitution quickly and easily.

The officers and co-sponsors, Mr. and Mrs. Ellis Everett, worked enthusiastically to make the club a permanent part of the Dixie Campus.

Dedicated to the better understanding of the German language and lore, may this new club have a long and eventful life.

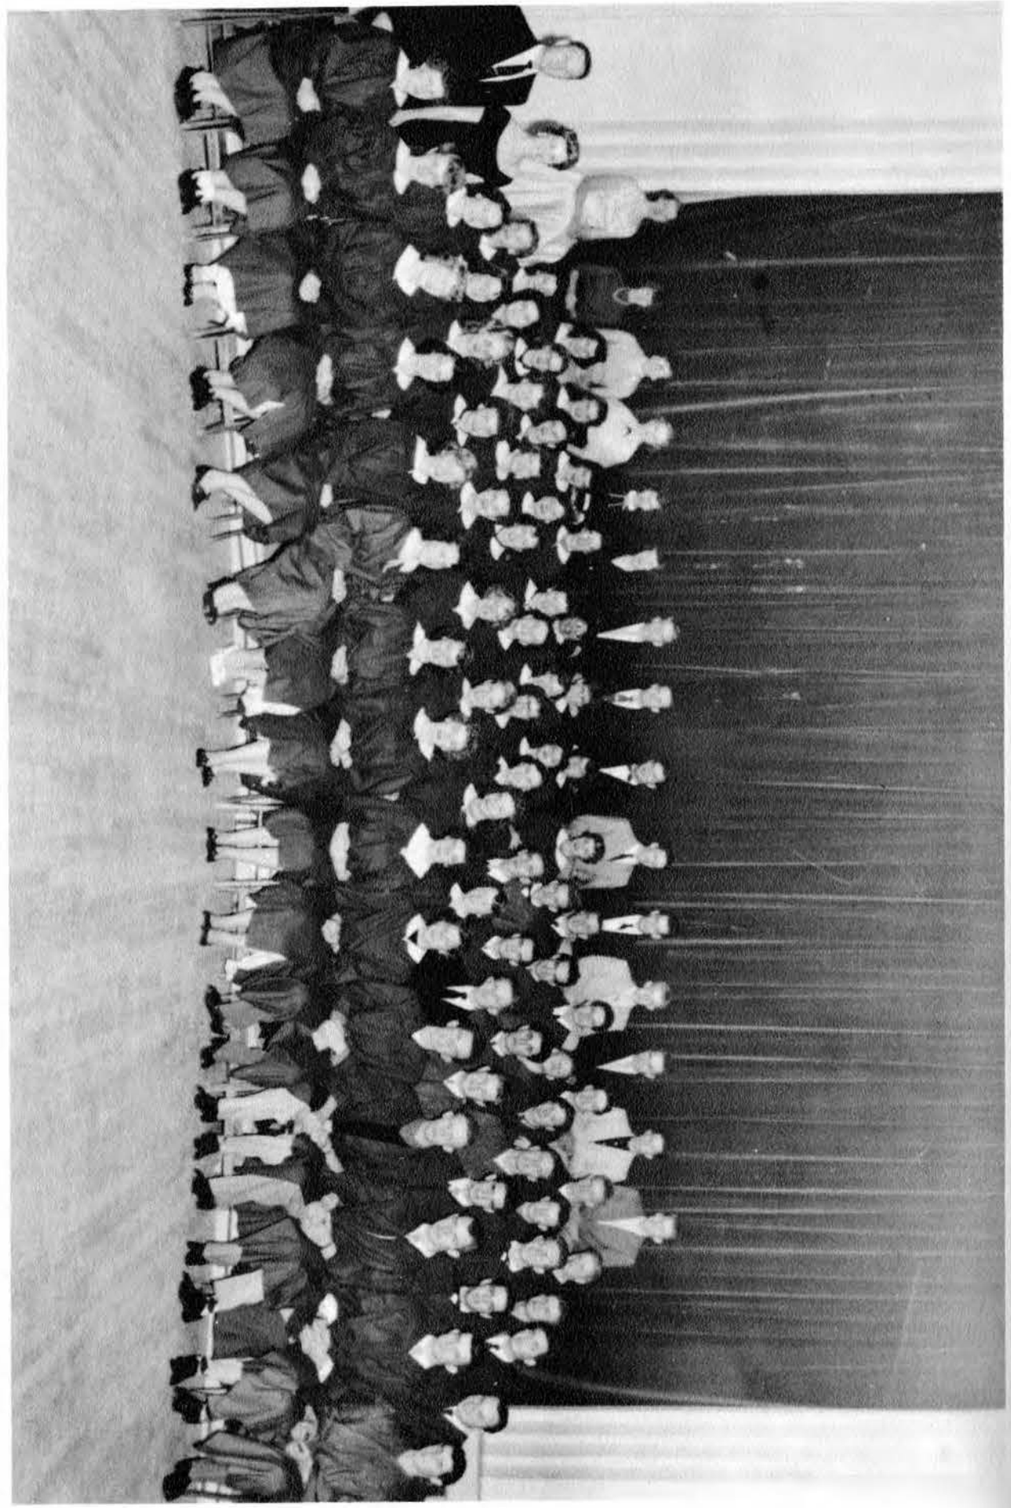

OFFICERS

Brent Snow, President; Yvonne Chamberlain, Secretary; J. Wendell Bayles, Reporter; Charles Sullivan, Student Director; Jerry Stubbs, Drum Major; Quentin Nordgren, Instructor.

Concert and Marching Band

The band is one of the most active organizations on the campus. Every parade and ball game calls for their service. Their concert, which was very successful, was given on February 17th of this year. They deserve a big hand of thanks from all student body members.

X-Club

The X-Club is one of the most active service organizations on the Dixie Campus. Each year the ten boys with the highest scholastic record in the Junior class are appointed as members of the club. It is indeed an honor to serve as a member of this club. Through various activities they are able to raise approximately $300 which is given to the school to use as it sees fit.

Lettermen's Club

The primary purpose of the Letterman's Club is to stimulate athletic activity in the various fields offered at Dixie College. Through the sponsorship of an annual "boxing smoker," and in the selling of goods at various activities, they raise money which is used to help buy lettered jackets which are presented as awards at the end of the year. The club also serves a great deal as a service club.

D-Queen's Message

D-Queen Message

The honor of representing the studentbody as "D" Day queen is one I shall never forget. The school has played such a big part in my life the last four years that no other honor could have made me happier.

The school years go by so fast that it is difficult to grasp all there is to be offered—but do it. Our yearbook theme, "The future is now", expresses my feelings to the utmost. Many students are missing the opportunities around them; they are missing so much.

Dixie and the things you can learn here become a part of you only when you as an individual seek for them.

As "D" Day Queen I hope that in the following years we will be awake to what Dixie has for us, and make every use of our "find".
