INTRODUCTION

The Dixie Junior College is calling you. Partake of its pep and spirit, mingle with its students, profit by its instructions, and grow physically and mentally strong.

This pep book is sponsored by the Dixie Junior College Student Body. It was published to increase the spirit and pep of the students and to create friendliness between competing schools.

It contains activity cards for the fall and winter quarters, songs, yells, etc.

Pledge

"We the students of Dixie Junior College pledge to support all activities of our school, and try to promote friendship and goodwill among competing schools."

NAME

"GOOD SPORTSMANSHIP"

A Good Sport

1. Is courteous to officials, opponents, and spectators.
2. In victory is modest; in defeat is game.
3. Cheers when the Dixie team runs on the field.
4. Applauds an injured player when he has to leave the field.
5. Does not try to interfere with the cheering of the opponents bleachers.
6. Never hisses or boos the officials or players. We are on the field to win the game, not to wrangle with the opponents.
7. Cheers whichever side has done exceptionally well.
8. Cheers for a player who has been replaced.

In all our games at home the reputation of Dixie is in the hands of our enthusiastic rooters on the bleachers. We don't like to lose, but we gladly sacrifice the game rather than forfeit our traditional reputation for good sportsmanship. Such an attitude brings victory!

WE EXPECT TO SEE YOU AT THE GAMES, OUR PLAYERS NEED OUR SUPPORT!!

DIXIE COLLEGE SONG

We love you dear Dixie School,
With your colors of white and blue
For you ever stand for the right
For the noble, the good and the true.
Whenever we're put to the test
We'll remember your spirit grand
Instructing, persuading and guiding,
Thru-out our Dixie Land.

CHORUS:

Hail, all hail to thee!
Oh, Dixie College, dear old School;
We know your worth the best on earth,
We'll cheer for you and stand by every
rule;
Oh, may we never do
Aught that would bring dishonor to thy
name,

But may we be e'er true to thee
Adding honor and glory to thy fame.

Tho' far away we may be,
We'll remember our Dixie School,
The spirit of our pioneers,
For they're men of the great golden rule.
Our D on the hillside so bold
Cherished emblem of them all
Remembering and never forgetting
We'll answer to the call.

NOTE: It is desired that all students upon entering school will immediately learn the College Song. At all contests when this song is played, it is expected that students will stand and sing. This also holds with the playing of the school song of all competing schools.

DIXIE

We'll fight for the cause of Dixie,
No stain shall mar her name,
Her foes shall meet sure disaster
When they meet her in life's game,
Resistless her men push goalward
With her standards ever high,
Defeat never comes to Dixie
For she has no alibi.

DIXIE — DIXIE — DIXIE — DIXIE
DIXIE — DIXIE — DIXIE — DIXIE
DIXIE

We'll stand by her through all trial
At her shrine our knee we'll bend
Our faithful guide she has ever been
When we needed most a friend;
Her mountains and hills may crumble
But her spirit ne'er will die.
Dixie shall live on forever,
Dixie has no alibi.

DIXIE MARCHING SONG

We're cheering for you dear Dixie
We are wearing your colors today
We are loyal and true, dear Dixie, to you
And we're going to help you win out,
Dixie.
We're for you through and through old
Dixie.
For the White and the Blue of old Dixie.
And we'll sing as you play for Dixie today.
Vi-c-t-o-r-y for Dixie.

CHORUS

Then march, march, marching along
Cheer, cheer, singing this song

Here's to old Dixie who does things you
know.

Then nine Rah's for Dixie, for Dixie go.
Cheer, cheer, cheer with your might
Wave, wave, blue and the white
And beneath these colors fair
Everywhere we do and dare, all for Dixie,
Dixie Go.

THE SPIRIT OF OLD DIXIE

The spirit of old Dixie
Is watching o'er you now
Looks down upon your colors true
And lends a helping hand to you.
From honor bright n'er fall
Is Dixie's constant call.
So Fight, you Dixie Flyers, for
Old Dixie's standards ever high.

Our Dixie men in battle
Will strive for Victory
They give their heart, their soul, their all
They'll never let her standards fall.

Her noble sons e'er true
Bring victories ever new
So Fight, you Dixie Flyers, for
Old Dixie's standards ever high.

As out upon life's highway,
You fight for victory.
Remember there's your college call,
And never let your spirits fall.
Old Dixie's Spirit true,
Will ever watch o'er you.
So Fight you Dixie Flyers, for
Old Dixie's standards ever high.

"DIXIE PEP SONG"

Dixie boys are hard to beat
They're just a hundred per from head to
feet.

They've got the stuff it takes to win
So come on Dixie let's pitch in.

Show the crowd they oughta be proud
And we'll all give out with a yell that's
loud.

You might have heard it said we'd rather
all be dead
Than cheer for any one but DIXIE!

THE GRAND OLD B. A. C.

There's a dear old place in the mountains
high

Where the sunlight always shines,

Where the breezes blow and pure white
snow

The mountain air refines.
That place is hallowed by a school
That's where I long to be
And meet with dear old friends we love
At the grand old B. A. C.

CHORUS:

Oh! The B. A. C. is the school I love
For the vigor of her youth.
Her blue spreads out as the blue of the
sky
And her light as the light of truth;
All her children thrill at her very name
No matter where they be.
She's the school of the Blue and the White
we love,
She's the grand old B. A. C.

All hail the college young and strong,
Her children call it blest,
Sing praises to her worthy name,
She's queen of all the West.
Her strength will grow with the coming
years,
Her light we'll always see.
Our loyal hearts will ever beat
For the grand old B. A. C.

SNOW COLLEGE SONG

Oh, flag of white and gold
To the breeze unfold as we shout all hail.
A story sweet is told in each silken fold
Which we love so well;
A lute of love and youth and the search
for truth
In our own temple fair,
Oh, banner so bright, rich as gold, pure
and white.
To be like you is our fond prayer.
And that is why we love to see you wave
above.

CHORUS:

The dear Snow College,
The fount of truth and knowledge,
That's where we spend the golden hour
of life.
Within that sacred temple as friends we
all assemble,
And seek to make those hours with beauty
rife.
And when in future ages, we look back
o'er the pages
And ponder o'er our deeds and struggles
old,
So fondly, we'll remember and most of all
we'll treasure.

Our college days so bright with rays of
white and gold.

Oh, colors gold and white, for you we'll
fight.

We'll watch and pray.

They fill each spacious hall and brighten
every wall of—

"Till our hearts like you will be as pure
and free,

And as full of cheer.

These symbols forever dear,

We'll guard you with our might and keep
you bright

By night and day

The snow's purest white and the sun's
golden light.

HURRICANE'S FIGHT SONG

We will cheer, never fear,

For our triumph near

As we fight for Hurricane High.

When the teams begin,

We are bound to win,

As the Blacks go tearing by,

As they go, never slow,

Through the fighting foe

We will roar for our score loud and long,

And we'll fight right to the finish

As we sing our fighting song.

CHORUS:

We will fight, fight, fight

If we're winning.

We will fight, fight, fight

If we lose.

Every player knows when the whistle
blows.

We will fight whenever we choose

We will fight, fight, fight

In the morning.

We will fight, fight, fight

All the night.

We are bound to win today

As we battle in the fray

When we fight, fight, fight, fight, fight.

Life's a game just the same

When we fight for fame,

With a will to do or die,

There is toil and strife

In the game of life

But the victory's bye and bye.

As we go to and fro

In the world we know

We must fight for our right, clean and
strong.

And we'll win our every battle

As we sing our fighting song.

KANAB HIGH SCHOOL SONG

(Tune: Maryland, My Maryland)
You are the best in all the land.

K. H. S., our K. H. S.
We'll sing your praise on every hand,
K. H. S., our K. H. S.

The students love and honor you.
They live and die to you be true,
For you're the best and strongest, too,
K. H. S., our K. H. S.

You are the realm of our ideals,
K. H. S., our K. H. S.
We learn from you what honor means,
K. H. S., our K. H. S.

Your banner is of red and white
Your motto upward to the right
We'll stand by you and for you fight,
K. H. S., our K. H. S.

VALLEY HIGH SCHOOL SONG

Hail to our high school, the one we love
so well,
Down in the Valley, where friendship e'er
shall dwell.
Home of our school days, by work and
study won,
Dearest of all schools beneath the western
Sun.

CHORUS:

At Valley High School, we as friends shall
ever meet,
True to our friendship of days that are so
sweet.
Onward and upward our course we will
pursue,
With teachers to lead us, who're valiant
and true.
Ever we're striving more knowledge to ob-
tain.
True to our motto, success shall be our
aim.
We're one in purpose, we're climbing
round by round,
Rich gems of knowledge in each bright
day are found.
