Letter #2

We appreciate the good response to our letter #1 of January 28, 1967. Many have sent us \$10.00 or more and to each one of those we are sending 26 family group sheets and a large pedigree chart.

Sorry about the delay, but we worked as fast as we could. It takes a great deal of time and effort to gather and assemble, in proper form from all our records, film strips, geneological library, and our geneologist Bro. Aherand etc. etc., the information we are sending you.

Our cousin Selena H. Leavitt deserves a great deal of credit and many thanks for her untiring continuous effort in gathering much of the information and recording it on our family group sheets and pedigree chart.

Without Bro. Aherand's research, cooperation, guidenace, and help in supplying us the necessary information all this would be impossible.

All money received will be spent to pay off present debts; and, then continue in more research.

Those who sent us only \$5.00 should send us an additional \$5.00 or more so that they could also receive the 26 family group sheets and large pedigree chart. Please refer to letter #1 where we offer all this material to all who sent \$10.00 or more, see P.S. #2.

Bill and I are now doing all we can to help our entire family get the information which the church is now requesting and will request in the next few years.

Any further contributions will help in future research and will be appreciated by all.

Very sincerely yours,

Ernest E. Stucki
William T. Stucki

P.S. There are still some sheets being processed in the Temples and the information on them will be forwarded to you as soon as they are returned to us.
