FOREWORD

It is the purpose of this 1942 "Dixie" to preserve for each student a vivid picture of intellectual and physical contests, of music and drama, faculty and classes, and of friends and socials. Such activities have formed a major part of our lives during the past year.

May each student in years to come, as you turn the pages of this book, relive those happy days spent at DIXIE.

DEDICATION

To those people who have gone, and to those who will, in the near future, leave the friendly doors of Dixie to join the ranks of those who are fighting desperately to defend our great nation, we proudly dedicate this 1942 Dixie.

Escape from musty research through crowded doorways into the sun-filled space or shady retreats of the campus, marks care-free noons and periods set aside for study.

Everything but chatter stops when the DJC is handed out each Friday at noon.

Our students of Dixie realize that along with National Defense, our nation stands in need of religious guidance.

Dixie cooperates with our nation in an effort to "Keep 'em flying."

HANGAR

Two of our school's pretty coeds watch one of their friends take his solo flight.

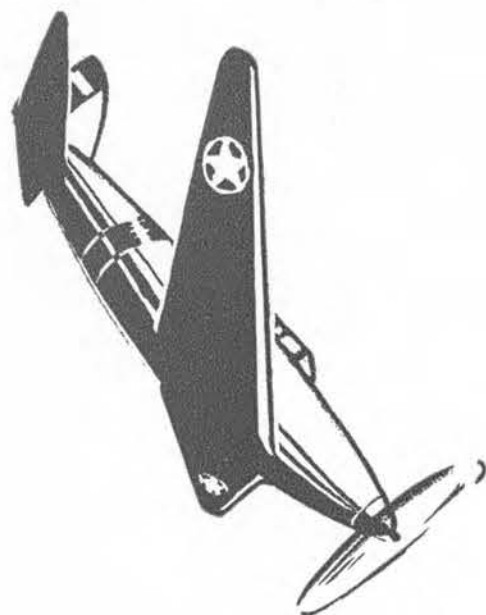

Men like our student body president do their part in National Defense by learning to fly. They hope some day to become a part of our nation's Air Corps.

Administration

Captain Glenn E. Snow

You stout-hearted sons and daughters of a mighty race now face a crumbling world. Only you who have great courage and love have the right to reshape it; only those of you with intelligence can do it well.

In confidence and love we proudly watch you assume your tasks on all fronts. Hopefully we shall look always for the signs of your good work.

In Memoriam

When one has gone quickly as an eagle's flight
And taken swiftly from your joys and left you
night;

'Tis then that sorrow seeks you, holds you fast,
And leaves you there bereft upon her mast.

And oh what solace that a memory brings
When through your grief and tears it comes
and sings.

For he that leaves behind a noble life
Weighted with laughter—free from strife,
What greater glory in the end,
Than the happiness left in the hearts of friends.

Activities

These men prepare themselves to defend their nation.

Omega Delta

Omega Delta, the speech and dramatic arts fraternity, was organized this year to give members an opportunity to perfect their talents, provide association with others of the same interest, and sponsor speech and drama events, thus stimulating a greater interest in these arts.

Pledges must show outstanding talent along these lines and are admitted to the fraternity only after due consideration to the number and quality of public performances.

Alpha Theta

The Alpha Theta Club was organized February 5, 1941 for the purpose of providing personal development, service to community, and improving home and family life.

Its symbol, the rose, stands for all things lovely and beautiful within the home.

Shirley Ann Abbott

F. F. A. Club

MISS SHIRLEY ANN ABBOTT was elected by the Dixie students to reign at the SANTA CLAUS SWEETHEART BALL.

This dance was sponsored by the Home Economics and Ag Departments.

The F.F.A. Club is a national organization, found in 47 states, Puerto Rico and Hawaii. There are 45 chapters in the high schools of Utah and a few over 3,000 chapters in the United States. The membership of the Utah chapters is 2,900 and the national membership is 300,000.

F.F.A. stands for Future Farmers of America. The purpose of the club is to stimulate and promote an active interest and participation in agriculture.

A boy advances in the club according to the years he has taken agriculture and the number of projects he has completed. The order of advancement is: Green Hand, Future Farmers, State Farmers, American Farmers and Star American Farmers.

It is a fraternal organization and a member can find a brother and a friend nearly every place he may go.

Girls Club

The girls club was organized to give every girl a better opportunity to participate in the activities about school.

Each girl looks forward to girls day, when their power of dating will exceed that of the male.

The girls gave a very fine program during the day and they sponsored one of the best dances of the season.

FTA

The Future Teachers of America is a national fraternity, organized to give those students who are going into the teaching profession some idea of what it means to be a teacher.

Standing, left to right: Virginia Woodbury, June Bennett, Alma Woodbury, Joy Bennett, B. Glen Smith, Sponsor; Yvonne Jackson, Nellie Thompson, Joe Black, President. Seated: Norman Hunt, Gwen Stewart.

X Club

This service club was organized in the spring of 1939 under the direction of Professor Ross Hardy.

To become a member of this club a grade average of "B" is necessary and also some activity in extra-curricular activities.

Activities of the club include ushering, caring for the flag, and as a standing committee to welcome all visitors to our school.

The Dixie

Well, there it is! The last picture has been taken, the last ad sold and the last page of copy has gone to the printer. Lillie smiles again . . . Andy carries a typewriter no more . . . That worried look has vanished from Wayne's face . . . Mr. Christensen acts as if he had lost something . . . And Truman acts as if he had just arrived from Sing Sing. Yes, our yearbook is complete.

Yet, after the thrill of having the work done has passed, the members of the staff who realize that they might never again serve on the staff of another Dixie are filled with regret, yet we have a keen appreciation for the opportunity we have had in helping to give you this book.

Those of us who will again return to Dixie's friendly atmosphere appreciate the chance we have had to serve this student body, and we have a sincere longing to serve it again.

We want to especially thank Mr. Ken Burton and Stevens & Wallis, Inc., for their willingness to offer advice and help. To the faculty and student body, for their cooperation, we want to say, we hope you will enjoy it and "thanks a lot"!

Business

At the Commercial Contests at Cedar and Provo, Dixie again won top honors. The teams placed first in six events. The first place was taken in nine different events by Dixie. There were four second places and three third places taken.

The advanced students went to Provo, where they received first as a team in shorthand. They also received scholarships and gold medals and certificates of proficiency. There were one first place, one second place, two third places, and three fourth places taken.

Standing, left to right: Alpine Prince, George Fry, Kent Hansen, and John Miller. Seated: John T. Woodbury, Coach.

High School Debate

These students have had much valuable experience in the science of argumentation.

They participated in the Forensic Tournament, held at Dixie in the early fall, and in the spring attended the State Forensic meet at the University of Utah.

These four boys debated for the much coveted Cox Medal. It was a close race and George Fry won by one vote.

El Circulo Espanol

El Circulo Espanol is an organization of the Spanish students of Dixie College. Its purpose is to become better acquainted with the language and customs of the Spanish people.

"D" Queen

Barbara Tweedie
"D" Queen

THE "D" QUEEN SPEAKS

Beloved teachers, fellow students, friends;
I stand before you on this great occasion
Thrilled with a pulsing gladness that transcends
My fondest dreams.
I've known the pleasure of your praise
For the music from my violin,
But never shall another Day
Repeat the happiness this hour brings.

But not of myself or my joys would I longer be speaking,
For the problems before us are Great and demand our full might.
As your Queen for a night I shall join you in faithfully seeking
The Portals of Triumph through which we shall march to the Light.

Just as bravely as Pilgrims launched forth to establish this Nation
Which we, as the Youth of an unenslaved country possess,
Must we give of our vigor and faith, gaining more education
That we shall not fail in carving our paths to success.

Just as Patriots fought to preserve what the Pilgrims had planted
Must we battle for Freedom, today.
With Lincoln-like courage expanding that Union—God-granted
Until the whole world is enveloped in Liberty's Light.

For the guns, bombs and tanks, we'll buy bonds and Keep buying;
Whatever the cost, we shall rise to our country's demand.
For the Air Force we'll train more cadets—"Keep 'Em Flying"
And raise Victory foods through the length and the breadth of the land.

Weed our hearts of unselfish desire, but remember
To us from Pearl Harbor was flung Freedom's blazing Torch;
And from the year's dawn to the end of this war's grim December
We of Dixie shall lead where the YOUTH of America March.

"D" Day

Everyone looks forward to "D" Day with a feeling of respect and happiness.

The program of the day started off with clean-up from sunrise to 9:00 o'clock. After everyone got through cleaning up there was a parade, with all four classes of the Dixie College and the Seniors of the Woodward High School participating.

The program at 11:00 paid tribute to the founders of the Dixie College.

The lunch and program on the hill below the "D" were especially enjoyable, after which some baseball games took place.

The climax of the day was the "D" lighting ceremony and the crowning of the "D" Queen at the dance.

Physical

Track

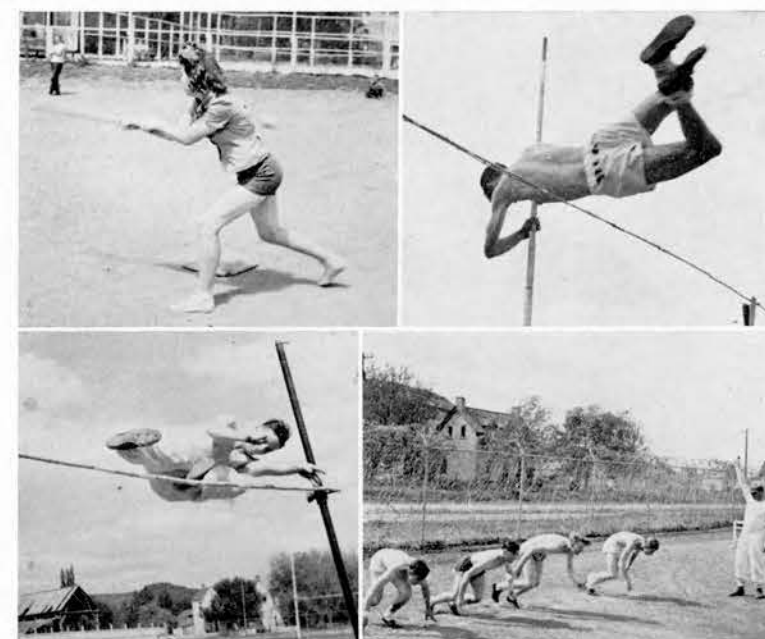

Dixie is looking forward to a great year in track as we go to press. At the Hurricane Invitational Meet, Dixie made a good showing and with our wonderful climate and more training, we expect to step out in front.

Education

Realizing the importance of Physical Education for personal health as well as National Defense, Dixie College places emphasis on the importance of physical training.

There is some form of Physical Education for every student. For those who want less strenuous recreation, ping-pong and bowling are offered; for those who want more vigorous exercise, boxing, wrestling, football, track, and baseball are offered. Many interesting and profitable hours have been spent in these sports.

Under capable direction, Dixie College students move onward to the goal of being 100 per cent physically fit.

First row, left to right: **Burdett Reber**, Guard; **Glendon Graff**, Halfback; **Guy Smith**, Tackle; **Gordon Lytle**, Center; **Leslie Hafen**, Halfback. Second row: **Harold Hammond**, End; **Junior Neilson**, Fullback; **Gilbert Tobler**, End; **Joe Mezzano**, Quarterback; **Merle Lemmon**, Center; **Coach Stanley Watts**. Top row: **Rummel Reber**, Guard; **Rex Peterson**, Tackle; **LeGrande Frei**, Halfback; **Vance Esplin**, Guard; **Karl Church**, End. Not present when picture was taken: **John Belingheri**, Tackle.

Once more Dixie showed the stuff that real football teams are made of. Handicapped without even enough boys for scrimmage, we still put up the old fight and tied for second place in the league.

Football

Football

We are proud of our high school football boys. In spite of the fact that we have only two years of high school and that our enrollment was small, we still came through with the goods and tied for third place in this district.

Dixie always played a good game and was considered one of the best and most popular teams in the league.

Front row, left to right: **Victor Frei**, Stafford Snow, **Ralph Hafen**, **Willard Stratton**, **Heber Nelson**. Second row: **Myrl Riding**, **Dee Frost**, **Cleyon Stucki**, **George Fry**, **Kent Reber**. Top row: **Coach Stanley Watts**, **Howard Atkin**, **Orwin Gubler**, **Phil Reid**, **Ronald McArthur**.

First row, left to right: Karl Church, Guard; Junior Neilson, Forward; Kay Hafen, Center; Phil Robison, Forward; Sam Chynoweth, Guard; Stan Watts, Coach. Second row: Joe Mezzano, Forward; Max Bennett, Forward; Herbert Pitchforth, Guard; LeGrande Frei, Forward; Guy Smith, Center; Bruce Decker, Guard.

Basketball

The ball club from the southern part of the state started off the season with a bang. The first half of the season saw Dixie undefeated. We did drop into a tie with B.A.C. in the league, but again at the tournament we came through winning second place after defeating Mesa, the league champions. Kay Hafen was chosen as a guard on the all-conference team, but we nominate the whole team for high honor. We are proud of our Dixie boys.

Basketball

Dixie was always in the game fighting. Even though we didn't take our usual birth in the state tournament, we let the district know that they had a real team to beat.

Coach Hafen did a fine job with these boys. Having only one veteran back from last year's squad, he made a fine showing and we expect much from these boys next year.

The place where students spend cool, romantic evenings.

Miss Henderson at her favorite pastime.

Can you imagine LaMoine in some girl's bedroom?

I don't believe it—but well, there it is.

Our Band in action.

The hangar.

Yes, Dorothy, it is surprising, isn't it????

Just practicing.

Hap had better poke cotton in the keyholes.

Poor Herb—it's tough to be initiated.

The flag is taken down for the night.

Daniel Boone? "Could be."

A great love scene, as portrayed by the Faculty.

Road signs don't lie.

Some people just can't help flirting.

Give him time—he'll get it.

Some of Dixie's flyers.

"A" That's all it takes.

Who took this picture?

The beacon.

Our dear friend Mr. Welker.

Our Cheer Leaders in action.

Two boys on the Red Hill. What! No women??

Always working.

On the "D".

Guess who? The guardian of silence.

A smoke screen.

Let's don't fight, girls—he isn't worth it.

Clean up.

"Forty-niner" Ashby.

Mechanic (coming up).

We'll build big ones some-day.
