1940 DIXIE

Published by the associated students of Dixie College, at St. George, Utah, in the year nineteen hundred and forty . . . Mildred Bently, Editor.
D. C. Watson Jr., Business Manager.

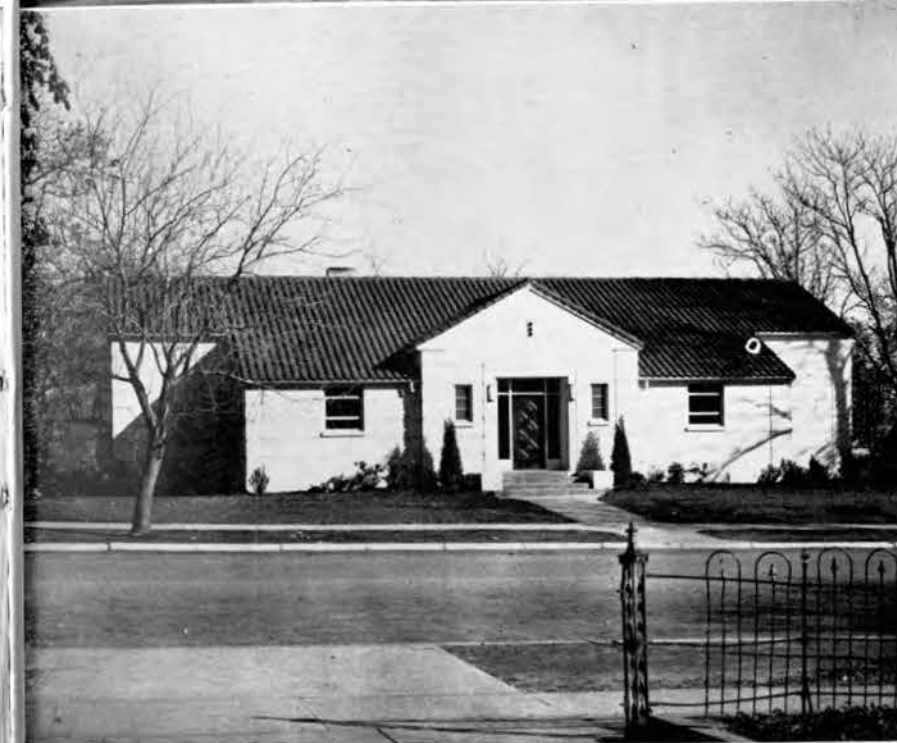

FOREWORD

We seek to paint a vivid, living picture of the ideals, traditions and achievements of the biggest Student Body Dixie has ever had—and of the guidance and friendships that have left the imprint of this year stamped indelibly in each heart and memory.

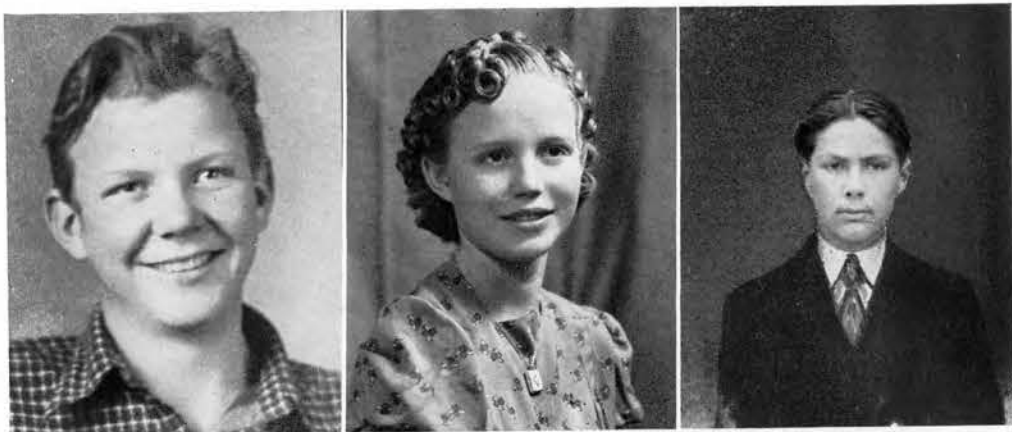

DEDICATION

TO OUR PARENTS—

Who have constantly sacrificed and extended a helping hand, that we might step ever higher up the ladder of achievement, transforming ideals, knowledge, morals, and ambitions into blocks from which we build our temples of character—we DEDICATE this record of school activities, hoping that we shall never fail to see the example of love and service they set before us, or cease to appreciate their efforts for our progression.

Doors—friendly doors that beckon to all who are eager to learn—Doors that open wide to welcome those who pass this way—Doors behind which character is molded and the chain of friendship welded. Those who enter learn to work and play and live together, and then pass, for the last time through these doors—reluctant to leave behind that which has meant so much, but ready and eager to go forth and play their part in the drama of life.

IN MEMORIAM

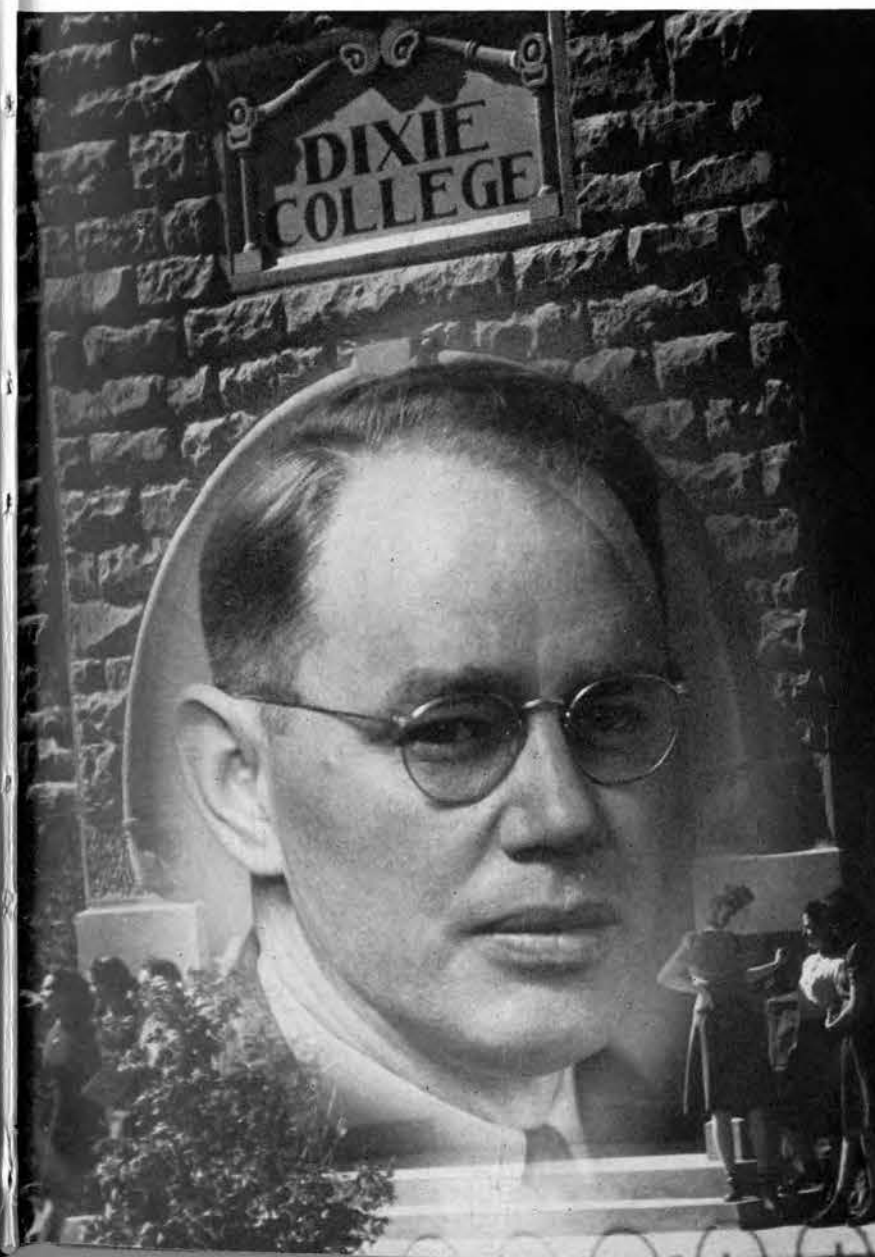

I heard the song of the lark
For one brief moment the melody rang clear
Then died away—and all was still
But it had gladdened my lonely heart.

I caught the scent of the rose,
The mellow fragrance filled the summer air;
Then the wind shifted—and it was gone,
But its memory lingered there.

I saw the sun in the west
Painting a glorious picture with clouds of
every hue;
The sun went down—and the sky was dark,
But my soul had found joy anew.

I knew three lovely youths
Who made the world seem brighter with their
smiles and their song;
Then the Master called—and they had to go,
But their love had made me strong.

SENIORS

The Senior Class, headed by these efficient officers, has led the school through a happy, successful year, upholding the traditions and standards of Dixie and carrying out a full program of activities.

At the Senior Ball, February 16, a full moon shone down on a Spanish Garden where the students danced to the music of Spanish serenaders. On May 2, the seniors stole from the class rooms and sought the cool Pine Valley Mountains for "Senior Sluff Day."

On May 23 an outstanding graduation program, "OUR AMERICAN HERITAGE" will be presented by the Seniors before they step through the "D" to receive their diplomas.

JUNIORS

The Juniors sponsored a beautiful promenade this year, using the "Old South" as their theme. The Wishing Well was the center of attraction and the birds and butterflies flew contentedly through the arbors and rose gardens. Little darkies waited at the entrance to bid you welcome and the music, played by real southern gentlemen, came from the veranda of an Old Southern Mansion.

The Juniors have been a very active and enthusiastic class and students are now being chosen from among their ranks to represent the school as officers in its student government next year.

SOPHOMORES

The biggest event in the year for the Sophomores was Sophomore Day, held April 19. The Sophomores acted as host and entertained the Seniors from the high schools of southern Utah, presenting the assembly and the sophomore play during the events of the day. The day was climaxed by the Sophomore Day Dance.

The Sophomore play, "The Wild Oats Boy" was presented to the public on April 24.

FRESHMEN

This enthusiastic class adds a great deal of color and life to our school and its activities. It is helping to hold high the banner of Dixie and the freshman will soon be ready to step ahead and take the places of those who have gone on. Dixie is proud of her Freshman Class.

YEAR BOOK STAFF

The yearbook staff has spent much time and energy to make this annual a successful one. We are proud to say that this book contains the pictures of practically every student, and that this year, for the first time in the history of the Dixie Junior College, each student will receive a book.

The work has been done entirely by the students and most of the writing, especially

that in the first section, has been done by our assistant editor. Working on the yearbook has been a pleasure and through our work we have become acquainted with many more of you students.

We appreciate the interest and cooperation you have given us and we offer to you the 1940 DIXIE. We hope you like it.

D. J. C. STAFF

BUSINESS

Students from the business department competed against other Southern Utah and Nevada high schools at B. A. C. on Vocational Day, March 30. Richfield and North Sevier schools entered for the first time, making competition keener than ever before. Three of the four teams entered in the commercial events placed. The second year shorthand team, consisting of Para Lee Wallace, LaPrele Sullivan, and Herma Gubler won first place. This team also won in the individual honors in the order

listed. The second year typewriting team, consisting of the same members as the shorthand team, took second place.

The first year typewriting team, consisting of Kay Hafen, Emma Sullivan, and Norma Cox, won second place. Kay Hafen won third in the individual awards.

These students will also represent Dixie in the Intermountain Commercial meet at Provo on April 12.

First Year Shorthand (standing): Helen Cannon, Robert Fordham, Sylva Snow.
Second Year Type (sitting): Norma Cox, Emma Sullivan, Kay Hafen.
Second Year Type and Shorthand: Herma Gubler, Para Lee Wallace, LaPrele Sullivan.

BEAUX ARTS GUILD

The Beaux Arts Guild was organized in 1934 to create an appreciation for art among the students of Dixie. Each year the Guild sponsors a Fine Arts Festival and presents to the Dixie Student Body an original painting chosen by the students.

LAMBDA BETA THETA

The Lambda Beta Theta of the Dixie Junior College was organized March 15, 1934, bringing to reality what had been the dream of Miss Lenore Thurston. This sorority is an honorary literary organization whose ideals are scholarship, fellowship, and literature.

The members are chosen from the girls in the Junior English classes who receive "A's" or nothing lower than "B's" as their final quarter grades in English. After a period of serving as "pledges" and "goats," they take part in the final initiation ceremony and become full-fledged members, joining together in a lasting friendship to promote the appreciation of good literature.

The Alpha Gamma is an agriculture club for upper division students. Just as Alpha is first in the Greek alphabet, the Alpha Gamma comes first as a club for boys who are interested in agriculture. Some of the highlights of the year's activities were the Venison Banquet in the fall, and Ag Day, May 3. On Ag Day the school participated in contests during the afternoon and at the dance, which brought to a close the day's events. Dixie's most popular girl was crowned as Ag Queen.

The Alpha Gamma participated in the intramurals sponsored by the school during the winter. The purpose of the club is to promote scholastic attainment and to extend a hand of good will and fellowship to fellow students. A silver loving cup is presented to the individual in the club with the highest scholastic ranking.

F. F. A. CLUB

The F. F. A. Club is an agriculture club for lower division students. It is nation wide and its purpose is to foster brotherhood and to promote social activities. The boys carry on projects and participate in agriculture contests. The divisions of the club are, first, Green Hand; second, Future Farmers; third, State Farmers; fourth, National Farmers.

X CLUB

This service club was organized during the spring quarter of 1939. Members are chosen for their high scholarship and for their participation in school activities, extra curricular events, and social service.

The club carries on such activities as caring for the flag, keeping order in assemblies, and welcoming those who come to visit our school.

DER DEUTSCHE VEREIN

Der Deutsche Verein is the German Club of Dixie and gives its members more freedom and opportunity to speak and listen to the German language. They are entertained in the homes of the different members with programs of German songs and stories and learn to appreciate the life and customs of the German people.

EL CIRCULO ESPANOL

El Circulo Espanol is an organization of the Spanish students of Dixie College in which they become better acquainted with the language and customs of the Spanish people. Once every two weeks the members meet in one of their homes, and are entertained with Spanish songs and games. They listen to Spanish stories and typical Spanish dishes are served. In the classroom are many Spanish books, pictures, and souvenirs that are available to the students.

GIRLS' CLUB

The Dixie Amita Club is a club in which every girl enrolled in school becomes a member. Its purpose is to promote friendship and give each girl a chance to participate in school activities. The outstanding event sponsored in the Amita Club was Girls' Day, April 12. The girls gave a tea in honor of their mothers and displayed their talents and abilities in the fashion parade and in the poem and story contest. The climax of the day was the Girls' Day Dance, for which the girls made the dates and paid the tickets.

BOYS' CLUB

The Boys' Club is an organization which includes all the boys in the school and gives to each an opportunity to take part in the activities of the student body. Their most important event during the year was Boys' Day, held March 29. In the assembly program in the morning, the boys gave an imitation of the teachers in faculty meeting. In the afternoon they participated in a tug of war, the upper division finally succeeding in pulling the lower division through the mud. The flag rush and games of softball and basketball followed and the day's activities were ended with the Boys' Day Dance.

GIRLS' ATHLETIC ASSOCIATION

Headed by efficient and capable officers, the girls athletic association sponsors a program of athletic activities for the girls of the school and builds a growing interest in sports. During the winter a girls' basketball tournament was held in which all the classes, clubs, and other organizations competed. A silver loving cup was presented to a Woodard High team, who were the winners of the tournament.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America is a national organization sponsored by the National Education Association. Its purpose is to select from among the leaders of young America promising material for that most important profession—teaching, and to stimulate these young people to prepare to be worthy teachers.

Chapters are organized in colleges and high schools throughout the nation. The local chapter has the honor of receiving the first college chapter in Utah.

Each chapter is named after an educator of note. The Dixie members chose to honor Dixie educational pioneer, Edgar M. Jensen, now at the B. Y. U. at Provo. Professor Jensen is a former president of the Dixie junior college, and pioneered teacher training in this section.

The Delta Psi Omega is a chapter of an organization whose purpose is to stimulate interest in dramatic activities and to secure for the college all the advantages of a large national, honorary fraternity. It also serves as a reward to students for their efforts in participating in the plays staged by the dramatic organizations of the school.

Membership requirements of this organization are high scholarship and satisfactory participation in major dramatic productions.

TENNIS CLUB

Pep, sunshine, and a court in which to play, make tennis a popular sport in Dixie. Each day finds students and faculty members playing side by side, improving in skill and speed. During the year the tennis club competed with the Hurricane and Las Vegas High Schools and with the B. A. C. They will also participate in the Junior College conference meet.

LAMBDA DELTA SIGMA

Building character and training for leadership, the Lambda Delta Sigma, religious fraternity of the Dixie L. D. S. Institute, works for the advancement and welfare of the Dixie student body. A venison banquet, lectures, and initiation of new members were some of the important events of the year. Fireside hours, Vesper services, and socials provided recreation and entertainment—teaching the students to live together and to love life.

ATHLETICS

COLLEGE FOOTBALL

The college team won third place in football this season. They were victorious in their first five games and were never scored against until the sixth game.

This is the first year a complete football schedule has been carried out and has been the most successful football season the school has ever had.

Members of the team not present in the picture are: Orin "Zug" Bennett, Captain; Keith Heaton, guard; Jack Turner, end; Ray Church, halfback; Ade Bunting, halfback; Merlin Herschi, guard; Darel Leavitt, guard; Carlos Lang, tackle.

From Left to Right, Back Row: Doyle Sampson, End; Talmage Christensen, Center; Dilworth Strasser, Tackle; Bob Martin, Guard; Junior Walker, End; LaVoid Leavitt, Guard; Earl Cox, End; Tex Mosley, Quarterback. Front Row: Edward Woodbury, End; Jack Petite, Guard; Garn Heaton, Center; Lee Williams, Fullback; Sam Chynoweth, Tackle; Eldon McArthur, Halfback; Victor Cannon Tackle; Dee Madsen, Halfback; Coach Jay Tolman.

COLLEGE BASKETBALL

With only one letterman back from last year, the new team began work late in the season. The schedule was very short and incomplete and Snow College and the B. A. C. were the only two schools against which they competed.

Next year they will return to the previous schedule and with a ready team, we hope for a better chance and more success.

FLIERS WIN THE STATE GRID CROWN

Dixie's high school Fliers, guided by Coach Jay Tolman, captured the first state title for six-man football ever held in Utah. The championship playoff was won by a decisive victory over Uintah with a score of 30-0. The Fliers were victorious throughout the whole season, playing their hardest game with Milford, with a score of 14-6. In all the other games they came out with a score high above that of their opponents.

Six-man football appears to be on the road to great popularity among the grid-fans in the smaller high schools of the state.

Dixie's well-balanced and high geared machine adds more glory to our athletic history. Throughout the season the boys were consistent and in twelve preseason games were undefeated. In league play the boys won eleven of the twelve games. At the State tournament, held in the new University of Utah fieldhouse on March 13, 14, 15, and 16, the boys in blue and white brought our Dixiland worthy recognition and a state sport fan-following similar to that of our 1928 championship squad.

Monroe High School tasted their first defeat of the year as they met Dixie the first night. The second night a stormy Murray team went down, while the third night, Provo High, the only undefeated team left in the state lost to Dixie in the greatest game of the 1940 tournament. The last night Dixie lost the championship game to a truly great Ogden team. Our 1940 All-State contribution was Volma Heaton, Captain of the Flyers.

TRACK AND FIELD

Track work under Coach Tolman is in full swing and the boys are looking forward to the meets to be held in the near future.

In the college, Baker Paxton and Kelly Pugh are ready for the pole vault. Paxton tied for first in the pole vault at the state meet last year. Dan Worthen and Floyd Ence are running the hurdles; Dil Strausser and Paul Sullivan throw the weights; Tex Mosley and Eldon Gubler run the 100 and 220 sprints; Ernest Pulsipher and "Doc" Leavitt the middle distances; Merlin Hinton, the mile; and Talmage Christensen is high jumping and running the hurdles.

The Intermountain Junior College Meet is to be held on May 11.

In the high school Douglas Prince and Blaine Fawcett are fastest in the 100 and 220 sprints; Roosevelt Gubler runs the half mile; and Eldon Stirling shows promise in the broad jump and sprint relay.

The first meet is at Bunkerhill on April 6. The Las Vegas meet is on April 20; the B. Y. U. Relays, April 27; the Regional meet at Fillmore on May 4; and the State meet in Salt Lake on May 11.

THE "D" QUEEN SPEAKS

To the founder's of our Dixie I now pay tribute. I am more than happy tonight to have this opportunity. As queen of the "D" let me express my appreciation for the standards and high ideals which they have set for us to follow. It is my only desire that we may be able to uphold these ideals and live worthy of them.

Dear Mr. Bentley,
I have certainly enjoyed your association at school this year. Living at Ramsey's has brought our association closer - its people like you that makes the whole of our schools go round - Success to you this summer & always!

When ice cream grows on macaroni trees,
When Sahara's sands are muddy,
When cats and dogs wear overshoes,
That's when I like to study.

Mrs. Prince (calling from head of the stairs at 11:55 p.m.): "Vivian, don't you think it's about bedtime, dear?"

Vivian: "Why yes, Mother, why on earth haven't you retired before?"

Gray Wilkin: "This is a good restaurant, isn't it?"

Dan: "Yes, if you order a fresh egg, you get the freshest in the world. If you order a good cup of coffee you get the best of coffee in the world, and - - -"

Gray: "I believe you. I ordered a small steak."

Tramp: "Please, kind lady, I've lost my right leg."

Lady of the house: "Well, it ain't here."

Narry a slip twixt the dress and the undies.

Clay Williams: "Did you kill any moths with those moth balls I sold you?"

Vivien Brooksby: "No, I tried for five hours, and couldn't hit a one."

Everard: "What's a synonym?"

Lela: "What: that's the stuff we put in the buns every day."

Boyden: "I don't like to complain, dear, but these biscuits aren't quite up to par."

D. J.: "Huh, that's all you know about cooking. This cook book says they're delicious."

Wayne Despain: "I've found the job I've been looking for, for a long time."

Smith: "What is it?"

Wayne: "Lineman for a wireless telegraph company."

Talmage called on Shirley and spent the evening. When he arrived there was not a cloud in the sky, so he carried no umbrella. At 1 a.m. it was raining cats and dogs and the gutters overflowed.

"My, my," said Shirley. "If you go out in this storm you will catch your death of cold, so I think you'd better stay all night. You can have Enid's room since she's sleeping with Helen. She flew upstairs to see that the room was in order. In a little while she came down, but Talmage was not in sight. In a few minutes he appeared dripping wet and out of breath from running, with a bundle under his arm.

"Why, Talmage, where have you been?"

Talmage: "Been home for my pajamas," was the answer.

Dear Mr. Bently,

The past two years in my work under you, I have gained more than any class. I hope I can prove to be just as good a helper and worker next year as those in the past. Success to you in your schooling this summer.

I don't think I will ever be sure I would have failed in many of my undertakings.

I'll never forget you in my life because if I ever do succeed it will be because of the help I received from you during my years in school.

Will write next year I'll be seen you then

Mr. Bently

Dear Mr. Bently:

I suppose you think I am more the lazy type that might be right. Anyhow,

I have enjoyed this year in accounting with you very much.

I hope you can always remember me as one of your students.
